

FAST PASSENGER TRAIN WRECKED; EIGHT KILLED

Many Injured When
Cars Fall Into
River

Bulletin
Philadelphia, Jan. 31.—(Friday)—(P)—The Record says it was told by Miss Bertha Klein, 25, of Sunbury, in a telephone conversation, that she was informed by rescue workers eight persons were killed in the train wreck near Sunbury last night.

Sunbury, Pa., Jan. 31.—(Friday)—(P)—An undetermined number of persons were killed or injured early today in the wreck of the Williamsporter, fast Reading Railroad passenger train bound from Williamsport to Philadelphia and New York.

The train, consisting of five cars, including two sleepers, left the rails at Clement Station, just across the Susquehanna river from Sunbury.

The locomotive tore down a pier of the bridge and plunged into the river. The mail and baggage coach also went into the river and another coach was partially submerged.

The remaining coaches rolled down an embankment and blocked the highway. The railroad ties on the bridge caught fire and burned fiercely.

Oliver J. Coyne, local Reading agent, said "It's probably the worst tragedy in the history of the Shamokin division."

All available ambulances and physicians were rushed to the scene.

The report said the wreck occurred on a bridge approach, and that the front of the train had dropped into an abandoned canal bed.

Another report said in addition to the one passenger killed, at least two others were seriously hurt.

The river bridge from which the train plunged was badly damaged. The cause of the wreck the report stated, was not known.

The accident happened at 11:45 p. m. (Eastern Standard Time).

Truck Drivers Held By Police

Bloomington, Ill., Jan. 30.—(P)—Police officers and Elliott Pasgon, Chicago trip agent, were sent to a Minn. tonight following inquest Friday morning into the death of Frank Ackerman, Rochelle, he died in an ambulance on the way to a Streator hospital, after his car and the Chicago truck rolled head-on two miles south of Minn. shortly after noon today.

Ackerman's wife is in the Streator hospital with head injuries and an arm fracture.

When a second auto crashed into the wreckage, Louis C. Wright, Wagona driver, suffered a head wound and wrist sprain. Wright's wife and daughter were uninjured.

Cars and truck still blocked the highway at a late hour.

ISSUE PROCLAMATION

Indianapolis, Jan. 30.—(P)—Governor Paul V. McNutt issued a proclamation tonight lifting martial law Clark and Floyd counties in southern Indiana, effective at midnight tonight. State troops had been sent into the area several weeks ago following trouble by strike pickets at the Pine Brothers shirt factories.

Weather

For Jacksonville and vicinity—Fair and continued cold weather will prevail in this territory today. Snow is predicted for Saturday with slowly rising temperature.

The U. S. Co-operative Weather Bureau at the Norbury Sanitarium last night gave temperatures for the past 24 hours as follows: High 10 above zero; low 17 below zero and at sunset Thursday evening five above.

Barometer readings were: A. M. 30.11; P. M. 30.14.

Illinois—Fair, continued cold Friday; Saturday possibly snow, rising temperature.

Indiana—Fair, continued cold Friday; Saturday increasing cloudiness with rising temperature, snow by afternoon or night.

Wisconsin—Fair, continued cold Friday; Saturday snow, rising temperature in east and south.

Missouri—Fair in east and south, snow by afternoon or night in north-west, rising temperature in central and west Friday; Saturday snow, rising temperature in east and south.

Iowa—Fair in east, becoming unsettled in west, snow in extreme west, rising temperature in central and west Friday; Saturday snow, rising temperature in extreme east, colder in extreme west.

Temperature.

Italian Cabinet Forges Iron-Clad Internal Defense

New Alpine Division For
Mountain Frontier
Is Created

By Andree Berding
Associated Press Foreign Staff
Rome, Jan. 30.—(P)—Benito Mussolini and his cabinet forged a more iron-clad internal defense for Italy today, creating a new Alpine division for the Fascist kingdom's mountain frontier and revamping the high command of the Carabinieri, or national police.

Duce also told his ministers that 50,000 additional workmen, en route to East Africa, would permit all services in the Italo-Ethiopian war zone to function, even during the "big" rains which will begin in the spring.

New bombings, south of Makale on the northern front and at Daga Medo on the southern front, were reported in a communiqué from Marshal Pietro Badoglio, high commander in Ethiopia. Badoglio also wired that "many chiefs and lesser chieftains" were included in the 5,000 Ethiopian casualties which he has claimed in recent engagements on the north.

The cabinet council, first of a series of significant Fascist conferences this week and next, approved a variety of financial and other measures, some recalling World War procedure.

But the ministers did not pass upon what all financial circles now are discussing: A projected capital levy consisting of a tax of 25 per cent on the value of all property, to be spread over ten or twenty years.

Such a tax was levied by the government of the late Giovanni Giolitti, one of the last of the anti-Fascist diarchs, in 1920.

Governor Orders Virtual Reopening Of Lindbergh Case

Claims There Is Abundance
Of Evidence Others Had
Part In Crime

By Samuel G. Blackman
Associated Press Staff Writer
Trenton, N. J., Jan. 30.—(P)—Governor Harold G. Hoffman ordered the New Jersey State Police today to resume investigation of the kidnapping and slaying of the Lindbergh baby.

The chief executive, who defied the threat of impeachment two weeks ago after granting Bruno Richard Hauptmann, convicted murderer of the child, a 30-day reprieve which saved him from execution the night of January 17, told Col. H. Norman Schwarzkopf, superintendent of the State Police, by letter that Hauptmann's fate is "almost the least important feature of this case."

"We can not accept any solution, that even by inference, is less than complete," he wrote, adding there is "abundant evidence that other persons participated in the crime."

In support of his belief the governor attached to the letter a long statement setting forth what he called "incontrovertible proof" that others were involved.

He pointed to Col. Charles A. Lindbergh's own statements, made before his recent magazine articles in which the elderly educator said he heard the voice of a second man at the other end of the telephone the night of March 11, 1932, when he first made telephonic communication with the kidnaper.

The law enforcement agencies have no reason to regard the case as closed, he wrote, and followed this with orders to Schwarzkopf that the State Police report "at least once weekly" the progress of their investigation and that of co-ordinating agencies.

PERFECT AIM

Hollywood, Jan. 30.—(P)—Steve Clemente, professional knife thrower, had perfect aim today but he didn't figure on the rebound.

A knife hurled during a movie scene "Under Two Flags" struck a post—as it was supposed to do—few feet from Ronald Colman, then bounded straight for Colman. The actor ducked but the blade grazed his nose.

Scratching it. The company took an emergency lunch period to recover its nerves.

APPOINTS MANAGER

Chicago, Jan. 30.—(P)—With the formal opening of campaign headquarters in a Chicago hotel (LaSalle), Republican nomination for governor, today appointed Patrick S. Smith, former city clerk, as his Cook county manager. In accepting the appointment, Smith said he was withdrawing from the race for state auditor.

NEEDLE KILLS COW

Moscow, Ida., Jan. 30.—(P)—A needle in haystack proved fatal to one of John Pearson's Jersey cows. An autopsy today showed the needle had pierced the cow's heart.

FDR CONSIDERS NEW TAXES TO PAY VET BONUS

Leaders Plan Battle
To Pay Bill With
New Currency

By Douglas B. Cornell
Associated Press Staff Writer
Washington, Jan. 30.—(P)—A definite indication that President Roosevelt is considering the possibility of new taxes to defray bonus costs tonight faced a Congress already eyeing the approaching elections.

Thrown into this already uncertain situation, also, was an inflation threat. From a leader of the House inflation bloc came an uncompromising assertion that a "battle royal" would be staged to pay the bill with new money rather than new revenue.

The greatest confusion prevailed on Capitol Hill, however, as to whether the president's swift demand last night for a \$224,000,000 appropriation to finance the bonus meant additional levies would be asked. A late White House conference provided at least a signpost.

As Secretaries Morgenthau and Attorney General Cummings and Daniel W. Bell, acting budget director, emerged from the executive offices it was revealed the whole field of taxation had been touched upon with an eye to the bonus as well as payment for a substitute for AAA. No conclusions were reported. The canvass will continue.

Secretary Morgenthau at an earlier press conference told reporters the president merely had asked Congress to appropriate two and a quarter billion to fulfill requirements of the bonus bill which did not provide an appropriation. He declined to be drawn out on the tax question.

At the Capitol, Chairman Samuel B. Hill (D-Wash.) of the House ways and means subcommittee on taxation said:

"Whether we should consider this an administration tax move, I don't know, but I suppose the committee will discuss it in the next few days."

Germany No Longer Defenseless Adolf Hitler Declares

Says Fighting And Sacrifice
Still Remains Before
Nation

By A. D. Stefferd
Associated Press Foreign Staff
Berlin, Jan. 30.—(P)—Adolf Hitler, standing bare-headed in a raw breeze to review his three years of rule, warned potential enemies today, "we are no longer defenseless helots, but self-confident world citizens."

"We can review the past proudly but our goal is not yet reached," said Hitler on the third anniversary of his chancellorship. "Fighting and sacrifice remain before us."

"We seek peace because we love it, but we insist on our honor because we do not live without it."

"Whoever believes he can deal with us as slaves will find we are the most obstinate people imaginable."

Drawn up rigidly before the Reichsführer as he spoke from the steps of the old museum on the edge of the Lustgarten were 26,000 of his brown-clad storm troops, many of them now graying. His words carried clearly.

Soundings boards echoed his 25-minute review of Nazi accomplishments to other thousands on the underground and radios carried it to listeners throughout the nation.

Referring to the rearmament program, which involved the breaking of the Versailles treaty last spring, Hitler said, "whoever opposes us now does it not because we are Nazis, but because we restored military independence to Germany."

Senate Confirms Reserve Board

Washington, Jan. 30.—(P)—The senate today confirmed without opposition President Roosevelt's reorganized federal reserve board, including Mariner S. Eccles of Utah, who is slated for the new chairmanship Feb. 1.

The action was taken by unanimous consent as the rules provided the house appointments go over a day after they are formally reported. Eccles was named for a four-year term.

The other five appointments approved with a seventh to come later were:

M. S. Sweeney, of Chicago, 12 year term; Joseph A. Broderick, of New York, 14 years; Donald Ransom, of Georgia, six years; John McKee, of Ohio, 10 years; and Ralph W. Morrison, of Texas, two years.

WRONG NUMBER

Toronto, Jan. 30.—(P)—Fewer wrong numbers would mean less profanity. W. J. Cairns, manager of the Bell Telephone Company of Canada, said today before a joint session of the Ontario Municipal Electric Association and the Association of Municipal Electric Utilities.

"If I could reduce the number of wrong connections by 100 a day," he said, "there might be such a lessening in the use of profanity language that my work could easily be as great as that of any preacher."

DIES DANCING

Salt Lake City, Jan. 30.—(P)—"I'd rather dance than do anything else in the world," remarked Chris Michelson, 60, to his partner at a dance recently. "I guess I'll die dancing."

Last night during a waltz he fell dead. A physician blamed a heart attack.

Ethiopia Claims Italian Column Now In Retreat

Soldiers Dropping Back
From Wadara Area Toward
Neggelli

Addis Ababa, Jan. 30.—(P)—Ethiopia claimed today that an Italian column was retreating in the south, where recent Fascist advances had caused concern here.

A report to the government from Irga Alem said the column was dropping back from the Wadara area toward Neggelli after a fight with the Ethiopians.

(Delayed dispatches from Dolo said yesterday the Italians captured Wadara, 50 miles north of Neggelli, in a dawn attack.)

The reported withdrawal was said to have been brought about by the fear of Gen. Rodolfo Graziani, southern Italian commander, that Ethiopian forces advancing from the west would attack a rear Fascist flank.

Government officials here said Graziani would have to act quickly to prevent a serious defeat. They asserted 15,000 Italian native troops are moving toward Neggelli from Wadara and that the remainder of the column, 15,000 white, are in comparative safety 40 miles southeast of Neggelli.

An official communiqué from the northern front said 19 Ethiopian sharpshooters surprised an Italian force northwest of Makale and killed 35 Italians, capturing four trucks.

One Italian airplane has been shot down. Ras Seyoum reported, and its three occupants were killed in the crash.

Germany No Longer Defenseless Adolf Hitler Declares

Says Fighting And Sacrifice
Still Remains Before
Nation

By A. D. Stefferd
Associated Press Foreign Staff

Referring to the rearmament program, which involved the breaking of the Versailles treaty last spring, Hitler said, "whoever opposes us now does it not because we are Nazis, but because we restored military independence to Germany."

Western Europe Situation Has Been Quieted

Italian Tension Is Sole
Exception To General
Improvement

By Charles F. Nutter
Associated Press Foreign Staff
London, Jan. 30.—(P)—A general bolstering of the shaky peace of Europe was seen in authoritative British quarters tonight as a result of the weeks almost unprecedented assemblage of rulers and foreign ministers in London.

The Italian tension, these sources said, was the sole exception to the general improvement in international problems reported growing out of the conferences between Europe's statesmen, gathered here for the funeral of King George V of England.

Britain's young foreign secretary, Anthony Eden, taxed his energy and diplomatic persuasion to the limit to emerge as the chief conciliator, and the developments, informed observers believed, may have far reaching effects.

Chief of these was an easing of Franco-German tensions, accomplished by Eden, acting as a go-between for Pierre-Etienne Flandin, the French foreign minister, and Baron Konstantin Von Neurath, envoy of the third Reich.

Other conversations it was learned, had an important bearing on the Austrian situation and on the Balkans.

Little light was shed on these latter talks, except for an indication that restoration of the Hapsburg throne in Austria is not to be expected in the near future.

Observers were interested keenly in the repeated talks which Eden held with Maxim Litvinoff, Soviet commissar for foreign affairs, who is known as one of the most canny traders in Europe.

ENTERES RACE

Galesburg, Ill., Jan. 30.—(P)—David M. Moltthrop, 20-year-old Knox College sophomore, completed his semester examinations today, drew a leave of absence from classes and started out to campaign for the Democratic nomination for state representative of the Seventh District.

He went to his home in River Forest to begin his drive as probably the youngest candidate seeking state office this year. His father was the late Superior Judge Charles P. Moltthrop of Cook county.

MIDDLE COURSE RECOMMENDED BY E. C. SMITH

Definite Decision To
Be Made By I. A. A.
Today

By Curtis R. Hay
Associated Press Staff Writer
Decatur, Ill., Jan. 30.—(P)—The Illinois Agricultural Association, urged by its president, Earl C. Smith, of Detroit, Ill., to stay within the constitution, tonight plotted its course on national policies for the next year.

The decision, which association leaders said would have an important effect on the stand of organized agriculture throughout the nation, will be made definitely tomorrow.

Smith recommended the middle course in his annual address to the organization's 21st annual convention today, suggesting a three point program in lieu of a drive for a constitutional amendment which he said might kick back to the detriment of the farmers.

"Some have suggested and others have urged," Smith asserted, "that the answer lies in an amendment to the constitution of the United States. While impulses may react favorably to this suggestion, yet calm judgment dictates such a course would be fraught with long delay, if at all successful."

"Even though this course of action might be immediately successful, I admonish careful thought and consideration before such action is undertaken. It might be found that through greatly liberalizing the limitations of the present constitution, such a course would ultimately permit legislation detrimental to farmers and similar middle class interests of the nation."

He recommended, instead, that the association adopt a three-point program which would include extensive soil conservation, expansion of domestic and foreign farm commodity markets with subsidization, if necessary, of export by the use of import revenues; and a practical system of farm warehouse loans on agricultural commodities.

He warned, however, that whatever course was followed there must be no surrender of "progress made under the Agricultural Adjustment Act."

His plan included the substitute suggested by the national administration for the AAA which the Supreme Court declared unconstitutional, but detailed explanation of the program was left to two national Democratic agriculture chiefs, Chester A. Davis, AAA administrator, and the house agriculture committee chairman, Ben Marvin Jones, of Texas, principal speaker on tonight's program.

SKATING POND TO BE FORMED AT SCHOOL HERE THIS MORNING

This morning a new skating pond will be formed in Jacksonville. Thru the co-operation of the school board, the water department and the fire department, the pond is being "built" in the northwest section of the Jefferson School grounds. The firemen will flood that part of the playground this morning.

The pond will be given supervision by W. P. A. recreation leaders as a part of the recently inaugurated program which is sponsored by the state department of Public Welfare and under the supervision of the Jacksonville Y. M. C. A. If it proves successful similar "ponds" may be arranged in other parts of town.

Neutrality Policy For U. S. Charted By Woodrow Wilson

Action Revealed By Secret
Documents Of State
Department

By Lloyd A. Lehrbas
Associated Press Staff Writer
Washington, Jan. 30.—(P)—Secret documents of the state department disclosed today how Woodrow Wilson personally charted the nation's neutrality policy in the stirring days prior to American entrance into the World War.

Page proofs of notes, letters, memoranda and other official documents which the department will publish soon include the rough outline of an early note to Germany, protesting unrestricted submarine warfare, drafted by the wartime president himself.

The draft was submitted to William Jennings Bryan, then secretary of state, April 22, 1915, as a result of the death of Leon Chester Thrasher, an American citizen, in the sinking of the British vessel Falaba March 28 in the Irish Sea by German submarines.

Wilson proposed that the protest should be placed "on very high grounds," and not be limited to the loss of one American citizen's life.

His decision determining American policy was made soon after the first submarine sinkings, long before the destruction of the Lusitania and other ships inflamed American public opinion against ruthless undersea warfare.

COW IN KITCHEN

Tucson, Ariz., Jan. 30.—(P)—Police arrested Faustino Vargas, 33, today when they found a large Holstein cow in his kitchen.

Vargas, who allegedly took the cow from his brother-in-law's property, was unable to explain how he maneuvered the animal into the small room.

Police booked him for intoxication and disturbing the peace.

APPROVE BOND ISSUE

Charleston, Ill., Jan. 30.—(P)—Charleston citizens today voted four to one approval of a \$300,000 bond issue for street improvements, sewer construction and a municipal swimming pool.

Demand Full Inquiry of Conditions in All Penal Institutions of State

statement," said the prosecutor. "You can't convict on that alone."

Emmett Byrne, Chicago attorney retained to defend Day by the youth's aunt and uncle, Mr. and Mrs. T. A. Brooks, interviewed his client. The lawyer said Day had not changed his story of the episode and would advance a self defense plea.

Michael L. Igoe, district attorney at Chicago, termed prison conditions "disgraceful" but held they were the culmination of trends that had been growing "for years."

Mayor Kelly of Chicago predicted "the situation will arouse public indignation" in advocating employment of more guards. Judge J. M. Braude of the Chicago boy's court, deferred sending a 17-year-old burglar to Joliet "in view of the revolting disclosures."

A. L. Bowen, director of the state department of public welfare, announced at Springfield that he would return to Joliet, probably tomorrow.

"I am going back to try to clear up a few questions that have not been answered to my satisfaction. They are the questions of whether favoritism was granted to any prisoners, where the razor came from and other matters regarding prison conditions. I have no intention of taking charge of the investigation."

The razor that left 56 gashes in Loeb's body was of a type used at the prison. Officials there said a razor disappeared from the barber shop last November, but they had established it was not the one used in the slaying. Day claimed Loeb brought it to the bathroom.

McCabe told reporters late today Bowen or Attorney General Kerner could start a general investigation of penal conditions if they were so inclined, but that he would concern himself only with the Loeb slaying case for the time being.

"I am determined to investigate only the murder now," he said. "Later, I may go into the other matters."

FDR BIRTHDAY BALLS ATTRACT FIVE MILLION

President Speaks His
Appreciation Over
Radio

Washington, Jan. 30.—(P)—Calling for a co-ordinated national effort in the fight against infantile paralysis, President Roosevelt, on the occasion of his 54th birthday, tonight spoke his appreciation of the thousands of celebrations to raise funds for this end.

Interrupting near midnight his own anniversary party with his "old gang" at the white house, the president delivered a brief radio address. His words were carried to what officials estimated were 6,000 birthday balls at which 5,000,000 men and women danced from coast to coast.

The parties were reaching their height, Mrs. Roosevelt was completing her round of the six separate celebrations here when the executive, sitting in his study, bespoke aid for and co-ordination among those carrying "the brunt of caring for several hundred thousand of the afflicted."

"No single agency," he said, whether it be the doctor, the hospital, the research laboratory can cope individually with this great problem—we can do it only by joining our efforts."

Then, after "re-dedicating" the Warm Springs Foundation in Georgia "to the task which lies ahead," he concluded:

"You have made me very happy—more happy than I can express in words. Though I cannot share with you I want each and every one of you to know and feel that I deeply and sincerely appreciate all that you have done for the cause—all of the inspiration you have applied to it. x x x

"To several hundred thousand victims of infantile paralysis I send very personal greetings, especially to the youngsters among them those lives lie ahead of them. It is in their behalf that I thank you once more."

Coal Shortage Is Threatening Several States

Iowa Governor Appeals To
Roosevelt To Increase
Miners' Hours

Chicago, Jan. 30.—(P)—Widespread, but scattered, reports of imminent coal shortages emphasized today the severity of the sub-zero wave.

In Iowa, Gov. Clyde Herring telephoned an appeal to President Roosevelt for aid in obtaining United Mine Workers Union approval of a lengthened work week. The governor was informed by a committee of operators that if Iowa miners would labor Saturday for relief agencies, the prospect of serious suffering from lack of fuel would be averted.

A dispatch from Birmingham said short supplies of coal had been exhausted by an abnormally long siege of cold weather there and that several other Alabama and Mississippi cities faced a similar plight. The southern operators sought a six-day emergency week to insure sufficient fuel.

In St. Louis, dealers apportioned supplies on hand delivering one ton where five was ordered as 2 degree below zero weather continued and stocks neared exhaustion.

Many Illinois coal operators reported their mines had been working at capacity for weeks but were currently four to six days behind in filling orders.

One of the largest companies issued a warning against "hysterical buying." "Miners and dealers are sending out coal, as fast as they can," said H. O. Klein, general manager of the (Pacody) firm. He cautioned that if everybody started buying at once homes and buildings needing fuel the most might be prevented from getting it.

BUTTER EATING CHAMP

Monroe, Wis., Jan. 30.—(P)—Harvey Schartz, of Waikesha, ranked as Wisconsin's butter eating champion today.

Devouring Taxes

Congress has before it a bill to levy new excise taxes that will be passed directly back to the people in the form of higher prices for the necessities of life. That such taxes are already absorbing a vast amount of the cost of production and distribution is evidenced by the fact that there are 53 different taxes on a loaf of bread in the state of New York. Most business firms pay a score or more of taxes of various kinds.

How many families who patronize drug stores are aware that druggists pay seventeen federal taxes, twenty-seven state taxes and thirty-four local taxes—seventy-eight taxes in all? All these taxes must be added to the cost of the goods the druggist sells. Otherwise he could not stay in business.

An investigation by the "Drug Trade News" reveals that manufacturers in the drug and allied industries pay at least seventy-one federal, state and local taxes. It must soon become evident to the American people that the more money they are compelled to hand over to politicians, the greater will be the power of the politicians over the people become.

What is true of the drug business is repeated in practically every other business. Be it remembered by the man in the street that it is through business that he must buy what he eats and wears, the fuel that keeps him warm and the necessities of his home. He must therefore pay all these taxes in the cost of what he buys. That is not the fault of business, but of the people who sit idly by and allow the politicians to levy more and more taxes.

An "Ordinary Fellow"

"The tumult and the shouting dies, the nations and the kings depart," is a fitting description of the calm that has followed the impressive funeral of King George V. of England. Thousands mourned at his bier, and millions heard the service which hallowed his memory.

The tribute paid King George was worldwide. Even in life the esteem in which he was held often manifested itself. One day he is said to have remarked to a friend that he could not understand the honor paid for him, for after all, he said, "I am just an ordinary fellow."

Which doubtless explains why the people liked the King. The world has a high regard for "ordinary fellows" when they do not allow high position to rob them of that simplicity and graciousness the world in its secret heart admires.

Because King George was what he claimed to be, an "ordinary fellow," and because he never permitted the fact that he wore a crown to stand in the way of his service to his people, English democracy loved him. He was the people's king, not because he wanted to be, but because in the order of succession, it became his duty. He carried out his duty to the best of his ability.

When one sees a public official obsessed with his own importance, though the position he holds may be very ordinary, the mind goes back to the example of the King of Great Britain, an "ordinary fellow," doing an extraordinary job. The world is better because he lived and did the work assigned to him. He takes his place with the millions of other men who do the same, but whose names never find their way into the roster of fame. "Ordinary fellows" all, but nevertheless the backbone of human society.

Regimenting Fingerprints

The Illinois Bar Association makes the sweeping recommendation that Americans be required to equip themselves with certificates of citizenship, flanked by portraits and fingerprints. It is contended that this would facilitate detection of aliens residing unlawfully in the country.

We doubt that the country would or should approve the compulsory feature of the proposal. The idea of force just runs against the American grain.

The wisdom and usefulness of voluntary fingerprinting, however, is unquestionable. The Department of Justice in Washington maintains a

large non-criminal file. So now, do many police departments.

It is good practice to send your prints there for identification records. In death, accidents, kidnappings, and in other emergencies they may become extremely valuable.

SO THEY SAY

The danger of new Huey Longs will exist as long as millions of people in the south live on the misery margin. —George Fort Milton, Chattanooga, Tenn., newspaper editor.

In China we believe that from now on no country will continue to be ruled by a king or an emperor or a czar or a kaiser or a mikado. —The late Dr. David Liu, Chinese leader.

The college or university condones behavior or its campus Saturday afternoon which it roundly condemns every other day of the week. —President Fox of Union College.

You men are supposed to be experts on government, but you can't tell me who runs the government's many departments. —Howard C. Hopson, utility executive, to House lobby investigating committee.

BARBS

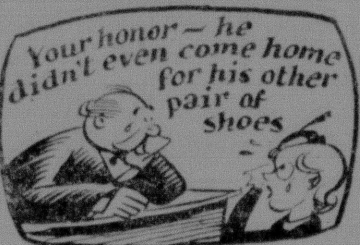

"Italy's army driving deeper into Ethiopia." At last reports it was in up to the hub-caps.

"Frankie and Johnnie" will be revived. The effect of his speech on the president and Garner evidently exceeded Al Smith's fondest expectations.

The difference between an Ethiopian battle and a poker game is that, after the latter, everyone says they lost.

Robert Wadlow, 17, of Alton, Ill., is now 8 feet 4 inches tall. And just to think—a few short months ago he scarcely measured 7 feet.

A Chicago woman, whose husband left her in 1926 to seek a job, wants a divorce. Perhaps she isn't aware things are picking up.

Behind The Scenes In Washington

Consumer Again Out in the Cold in New AAA Program . . . Administration Fears to Fight for Him . . . Attempt to "Disguise" New Taxes Won't Fool Anyone . . . Big Processor Seems to Be Favored by Plan of Treasury.

By RODNEY DUTCHER
Journal-Courier Washington Correspondent

Washington—The farm organization lobbyists and the administration have produced a substitute program for the AAA—which already is undergoing repair. Once again the consumer is a conspicuous absentee.

Secretary Wallace wanted some provision for consumer protection in the new soil conservation-domestic allotment act through which it is hoped to control production and pay benefits to farmers. The administration, from both standpoints of good politics and public policy, wanted it.

But the farmer lobbyists turned them down, apparently unwilling to place any potential brake on farm prices or on processors and distributors of food.

Little fight was made within the administration, because it is feared that dissension might destroy the new program in Congress. The administration expects a hard, dangerous fight in any event, with a storm already stirred.

Many farm leaders really want export subsidies for surplus crops, which the administration thinks are deadly poison—an unworkable scheme for subsidizing foreign consumers at the expense of American consumers.

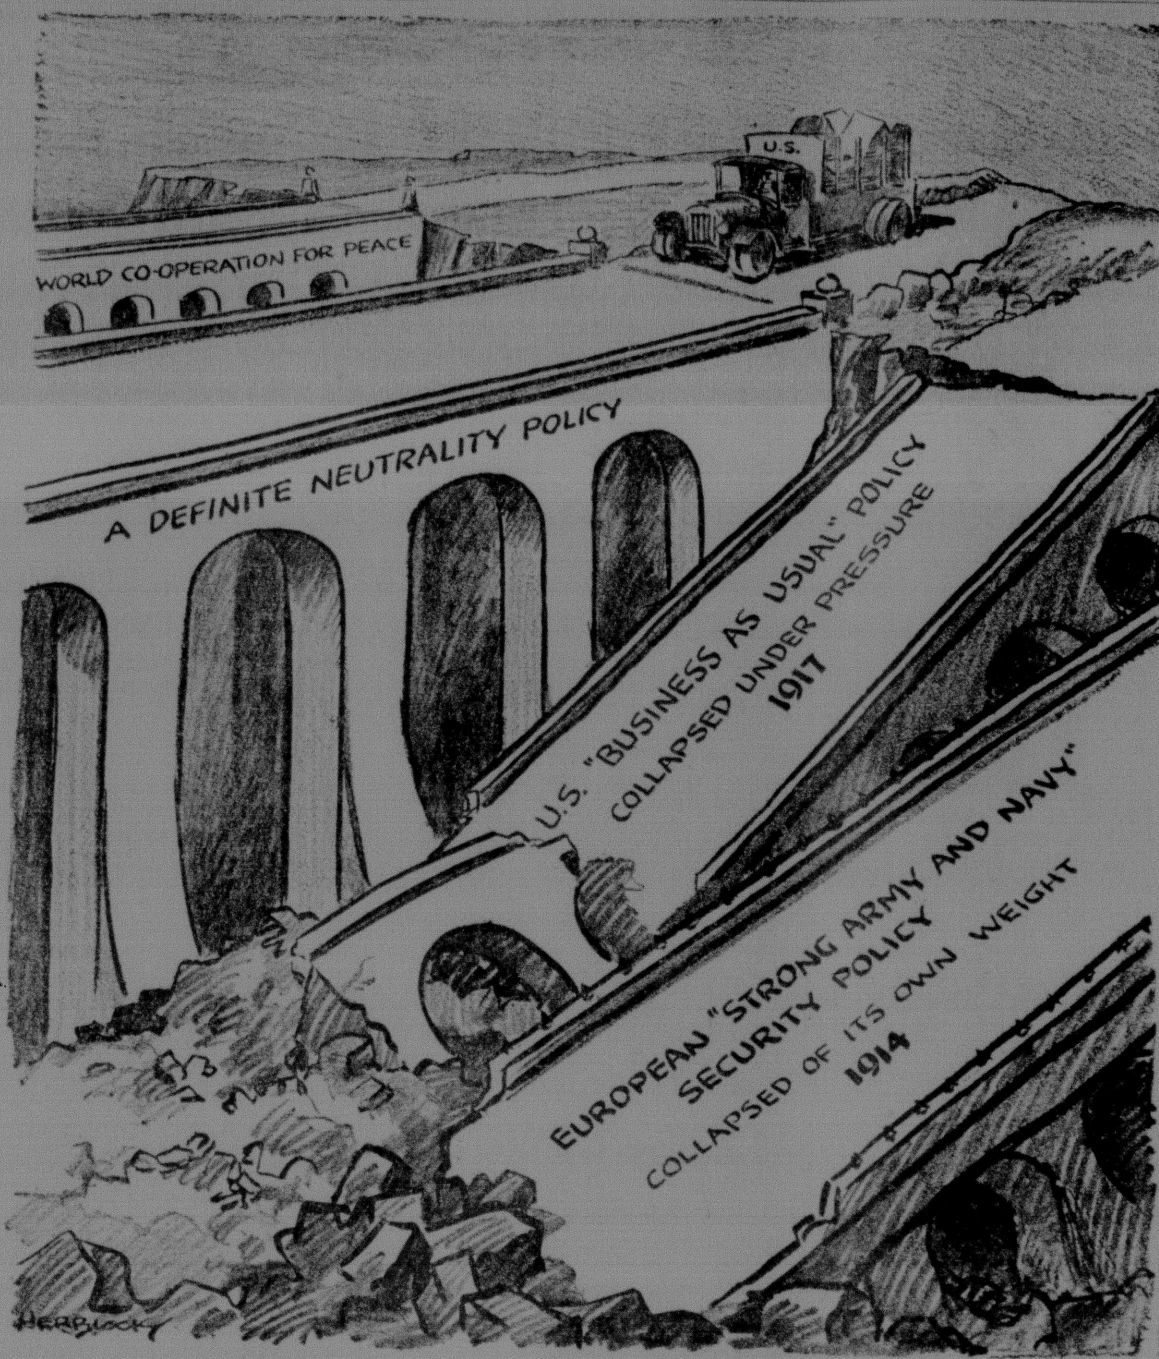

Republicans and General Johnson are clamoring in ostensible sympathy. Hence the tossing overboard of the consumer, lest a fight for him spoil everything.

Scarcity Idea Resented
At the same time, there's keen appreciation within administration ranks of the fact that city consumers resent the 25 per cent increase in retail food prices since 1933 and blame it on a program which they believe has created a scarcity of food.

Wallace and Roosevelt both have publicly repudiated the aim of scarcity. But it has done little good.

The AAA was a political liability in other than farm states and failure to take that fact into account in the new

FOUR ROADS

legislation may prove costly in the election campaign.

What Wallace wanted in the bill and what the farmer lobbyists refused to accept was a guarantee to consumers that the program would not reduce food supplies below normal domestic requirements.

"We want to be sure," Wallace recently said, "that there will be the same quantity of food per capita available to the American people that there was in the twenties."

The bill as introduced leaves the extent of crop reduction and amount of food reduction and amount of food supplies to executive discretion. Such discretion is notoriously susceptible to the influence of pressure groups—and farm lobbyists have shown themselves as predatory as any other group when their chance came to force up prices.

Treasury lawyers, behind closed doors have conceived the brilliant idea of levying a tax on yachts in the same measure which will lay "occupational" taxes on processors of wheat, cotton, oats, and so on.

By taxing yachts at \$2 a gross ton and also assessing commercial vessels

—even down to a minimum of \$5 for fishing smacks—it is hoped to convince the court that the money is to be raised for general purposes rather than for subsidies to farmers.

May Hurt Small Processor

Taxes on processors probably will be higher than the AAA taxes. "Soil conservation" is expected to be more expensive than "agricultural adjustment."

Some complaint is anticipated to the effect that the Treasury proposal would favor the big processors. It calls for an annual tax and any processor who pays monthly and in advance would receive a 3 per cent discount.

Large processors can afford to do that, but most small processors seldom accumulate reserves for taxes and are likely to be found paying their taxes at the end of the following year—plus 6 per cent interest.

The Treasury scheme as now pro-

John D. Vandaveer Dies at Roodhouse

Lifetime Greene County Man Had Attained Age of 87 Years

Roodhouse—John David Vandaveer, a lifetime resident of Greene county died at 8:20 o'clock yesterday morning at his home here, age 87 years, one month and eight days. He had been ill for ten days.

Mr. Vandaveer was born near Athensville, where he resided until ten years ago when he removed to Roodhouse.

Surviving are one daughter, Mrs. Nonie Marshall, with whom he made his home; one son, Fred Vandaveer of White Hall, and three grandchildren.

The remains are at the W. E. Reeve Funeral Home. Services will be held Saturday afternoon at two o'clock at Union church, Rev. Thomas Bass of Roodhouse officiating. Interment will be made in Union cemetery.

OBITUARY

Mrs. Luella Murphy, daughter of Robert and Mary Gibbs, was born east of Winchester Dec. 1, 1857, and passed away at her home, 740 East State street, Wednesday morning, Jan. 22, 1936 at the age of 78 years, one month and three weeks.

She was first married to Alexander Murray and to this union four children were born, three of whom survive. They are Mrs. Richard Dobson, Murrayville; Mrs. John Webb, Concord, and Alex at home. Her husband and one daughter preceded her in death. She also leaves two stepsons, Orville Murray, Wisconsin, and Arthur Murray, Greenville, Ill.

In 1889 she was united in marriage with Martin Murphy who died in 1908. To this union three children were born, Mrs. Anna Jones, Mrs. Frank Casey and Russell Murphy, all of Jacksonville. There is one sister, Mrs. Lillie Hurst, White Hall, eleven grandchildren and seventeen great grandchildren.

Mrs. Murphy was a loving mother and kind neighbor. She was a member of the Centenary M. E. church.

Funeral services were held Friday afternoon at two o'clock at the Williamson Funeral Home, Rev. M. M. Blair officiating.

REALTY TRANSFER

L. Maude Ryman to Nancy Helen Stingley, lots 48 and 49, original plat, Murrayville.

posed may be revised before it sees the light of day. But in any event the disguised processing taxes will be an obvious form of sales tax, no longer clothed with the promise of agricultural adjustment for the general welfare. Some New Deal lawyers think that's a dangerous "opening wedge." (Copyright, 1936, NEA Service, Inc.)

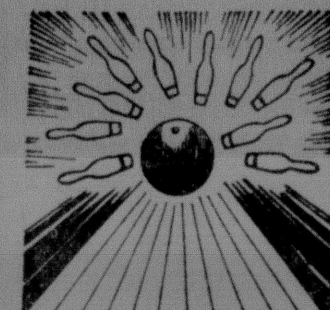

LOCAL COUPLE MARRIED
Eliza Turner and Miss Zella Hayes, both of Jacksonville, were united in marriage yesterday morning by Justice Jerry Hawks at his home, 421 Arnett street. Mr. and Mrs. Willis Hayes, parents of the bride, witnessed the ceremony.

Third and fourth generation Americans always have darker hair coloring than their ancestors.

BIRTH RECORD

Mr. and Mrs. Robert Stribling of Virginia are the parents of a daughter, Joyce Anne, born Wednesday afternoon. Mrs. Stribling was formerly Miss Hattie Davis of this city.

THE SCREEN REPORTED

NOW PLAYING

WHAT - WHEN - WHERE

FOX ILLINOIS—Last Times Today, Margot Grahame & Walter Abel in "THREE MUSKETEERS."

FOX MAJESTIC—Today and Saturday, Gene Autry in "TUMBLING TUMBLEWEEDS," plus Chapter No. 1 of the serial "Call of the Wild," starring Noah Berry, Jr., and Dorothy Short.

FOX ILLINOIS—Saturday only, Patricia Ellis and Warren Hull in "FRESHMAN LOVE" plus the first of a series of Kiddie Amateur Shows on the Stage.

TUMBLING TUMBLEWEEDS

To the many tests of marksmanship shown by the pistoleros of the last generation and this one, there now comes something entirely new, presented by Gene Autry, Republic western star, appearing in "Tumbling Tumbleweeds," now playing at the FOX MAJESTIC Theatre.

Autry's skill with a revolver is greater while riding a horse than on the ground. When going on location to make this western picture, the company was leaving the studio when Smiley Burnett, his pal found among the debris on the back lot a box of discarded electric light globes. He placed them in the car with the idea of arranging a test of marksmanship for the company. On location a small pine tree was found and the globes were hung on the branches in Christmas tree fashion, from the tip to the bottom and all around.

Gene started in at a point about one hundred yards away from the tree and circling it on his horse "Champion" gradually drew closer, going round and round, meanwhile firing from both of his favorite Colt automatics.

To the amazement of the on-lookers when Gene had reached close to the tree, few of the bulbs remained intact, almost all of them having been shattered by his expert marksmanship while circling at a canter.

The cast of "Tumbling Tumbleweeds" includes Smiley Burnett, Lucille Browne, Norma Taylor.

CALL OF THE SAVAGES

Where is the fabled city of Mu? Who holds the formula for the cure of infantile paralysis?

Answers to these intriguing questions are found in Universal's spectacular jungle serial, "CALL OF THE SAVAGE," the first chapter of which is now showing at the MAJESTIC theatre. Heading the cast are Noah Berry, Jr., and Dorothy Short. Supporting them are Bryant Washburn, William Desmond, H. L. Woods, Walter Miller, and many others.

Warner Bros' rollicking college comedy, "FRESHMAN LOVE," based on a story idea by George Ade, comes to the FOX ILLINOIS Theatre Saturday only.

Besides its hilarious situations and laughable episodes, the picture is said to carry a glowing romance of campus life and many thrills in connection with an exciting crew race. A musical background adds to the lively entertainment.

There is an all star comedy cast including Frank McHugh as the college coach, Patricia Ellis as the president's daughter, Warren Hull, stroke oar, who has the romantic lead with Miss Ellis; Joe Cawthorne as an eccentric and musically inclined coxswain; Mary Treen and Alma Lloyd as coeds and fellow conspirators of the president's flirtatious daughter, and Henry O'Neill as the president.

KIDDIES AMATEUR

Don't forget the Kiddie Amateur Show at the FOX ILLINOIS, Saturday, matinee and night. A lot of kiddies have entered and promise you a real show so be sure and don't miss it.

MIDSUMMERS NIGHT DREAM

Reserve seats are moving along in good shape. Be sure to make your reservation now. Remember the picture will be shown Tuesday, Feb. 4th, one day only. Matinee at 2:15 and Evening at 8:15.

Passes today at Fox Illinois for Mrs. Gail Miller, E. College Avenue. At Fox Majestic for Rex Henley, W. Court Street.

Thomas J. Quinn Dies Thursday

Owner of Oil Business Passes Away After a Brief Illness

Thomas J. Quinn passed away at 9:05 yesterday morning at Our Saviour's hospital where he had been under treatment for the past two weeks.

Although Mr. Quinn had been in failing health for some time, his death comes as a shock to relatives and friends.

I Made Up My Mind To Get Thin...and Did!

It was so simple! I ate what I liked, took no strenuous exercises, did not weaken my body with drastic purgatives—yet day by day I felt myself getting lighter, the fat seemed to slip away. Now I have a lovely, graceful figure—and I never felt better in my life!

That, in brief, is what thousands of women who have reduced the Marmola way might well tell you. Four times a day they take a little tablet containing in exactly the right quantity a world-famous corrective for abnormal obesity—A corrective prescribed by physicians everywhere and acknowledged to be the most effective known.

Since 1907, more than 20 million packages of Marmola have been purchased. Could any better recommendation be had?

Today—buy a package of Marmola, and start at once. Soon you will experience Marmola's benefits. When you have gone far enough, stop taking Marmola. And you will bless the day you first discovered this marvelous reducing agent.

Marmola is on sale by dealers everywhere—from coast to coast.

1866, a son of Michael and Sarah McCabe Quinn. He was united in marriage to Bessie C. Flynn of Jacksonville, Nov. 7, 1912.

Mr. Quinn was connected with the Morgan Farmers Oil Co. of this city for seven years and later going into business for himself until he was taken ill the first of October, 1935.

Surviving are his wife, his father, Michael Quinn; one sister, Mrs. Anna Jones, Chatham, Ill.; two brothers, Fred of Waverly and Edward of Pittsfield, Ill. His mother and two brothers preceded him in death.

Mr. Quinn was held in high esteem by all who knew him, and together with the family will be a wide circle of friends to mourn his loss. He was a member of the Church of Our Saviour, where funeral services will be held at a time to be announced later.

The remains were prepared for burial at the O'Donnell & Reavy funeral parlors and will be removed to the residence.

Funeral services will be held at 9 o'clock Saturday morning at the Church of Our Saviour. Burial will be in Calvary cemetery.

LINQUIST OUT ON BOND

Chicago—(P)—Gustaf Lindquist, former Minnesota Insurance Commissioner convicted of conspiracy to defraud the Abraham Lincoln Life Insurance company of Springfield, Ill., was at liberty today on appeal bond of \$7,500. Last December he was convicted by a jury and sentenced to a one-to-five year prison term and a fine of \$5,000.

A STRENGTH BUILDER

MANY folks are thin and pale—they're weak, feel tired, lousy and dull. This condition should not be overlooked. Dr. Pierce's Golden Medical Discovery increases the appetite, eliminates poisons from the intestines, and tones up the digestive system. Read this: "I have been very thin. After taking only one bottle, I was eating better, and I gradually put on weight and felt stronger in every way. From my experience I know it is a splendid tonic to build any one up—'young or old.' Buy now! New size, take, 50c. Liquid \$1.00 and \$1.35.

Sylvester McKee Dies in Pike Co.

Griggsville Man Passes Away After Sudden Heart Attack

Griggsville, Ill.—Sylvester McKee, who suffered a heart attack last Saturday at the home of his daughter, Mrs. Addie Burlend, where he has been making his home for the last several months, died there at 12:50 p. m. Wednesday, Jan. 29.

He was the only child of Ezra and Elizabeth Mumme McKee.

He was born Feb. 22, 1850, at Caldwell, Neb. Co., Ohio.

On Oct. 8, 1869, he married Sarah Anne Orr, who survives him.

Five children were born, two of whom died in childhood. A daughter, Mrs. Rose Wade, died in 1931. He is survived by two daughters, Mrs. Addie Burlend and Mrs. Frank Cawthon of Griggsville, Ill., by four grandchildren and two great grandchildren.

He began the Christian life in a meeting conducted by the Rev. L. P. Walden at the Old Flint M. E. church near the Valley City landing, uniting later with the Griggsville M. E. church.

He was a member of the Modern Woodmen of America.

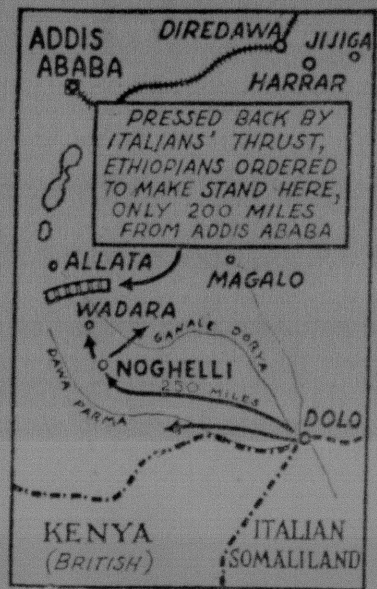

Funeral services will be held today at 2:30 p. m. at the Skinner Funeral Home in Griggsville with interment following in Griggsville cemetery.

EDWARDSVILLE YOUTH WILL PLEAD GUILTY

Edwardsville, Ill.—(P)—Attorneys for Ronald Everett Rambo, 15, have announced the boy will plead guilty Monday on a murder charge in the fatal shooting of Deputy County Treasurer John C. Higgins in an attempted burglary at the Higgins home.

Lawyers for James Paul Jarrett, 15, accused with Rambo, said he would stand trial. After his arrest authorities quoted him as making a statement which he later repudiated. His family contends he was home in bed when Higgins was shot on Nov. 26.

His Army Broken by Italian Drive

The crushing advance of General Graziani's "Hell on Wheels" army, motorized battalions, which carried the invaders almost half way from Dolo to Ethiopia's capital, Addis Ababa, was reported to have broken the backbone of the army of Ras Desta Demele, left, Emperor Haile Selassie's son-in-law and southern commander. The map shows how two Italian columns are advancing from the south, one having reached Wadara after sweeping through Nogelli, Ras Desta Demele's concentration point and the only place for which he had a real affection; and the other pushing westward along Kenia. Conquered territory remained a "No Man's Land" as trapped Ethiopians tried to fight their way back to their lines.

Relief Funds Will Keep County Going Until Feb. 9, Claim

No News of Future Action by State; Demand for Coal Is Met Here

The Morgan County Emergency Relief station is able to continue care for the destitute of the county until Feb. 9, the director, Mrs. Tillie Kelly, announced yesterday. A. R. Koch, of Decatur, district director, paid his routine visit to the station yesterday, and stated that there was no word as yet from headquarters as to the future of relief in Illinois.

If the relief station here is permitted to keep and use its uncommitted balance, it will be possible to maintain the work for a time after Feb. 9. Careful planning has enabled the management to provide for all the cases and to meet the unusual demand for coal during the cold weather. Coal orders will be filled until tonight, and thus sufficient fuel should be provided the clients to last another week.

Cases which have come to the attention of relief workers the last three days of January are being treated as emergencies and are being cared for as well as possible. The legislature has made no appropriation as yet for continuing relief, but the plans made in this county will care for the case load until the state has time to act to meet future needs.

The British ministry of labor regards tailors employed to press clothes in hotels as "hotel workers" and exempts them from the scales of hours and pay fixed for tailors.

George J. Johnson Claimed by Death

The death of George J. Johnson occurred at 5:30 o'clock Thursday morning at his home seven miles northwest of Jacksonville.

Mr. Johnson was born April 11, 1860, at the same farm where he died, a son of William and Charlotte Johnson. He had always been engaged in farming.

Surviving are one sister, Mrs. Mary A. Leake of Chandler, Okla., two nephews, Clyde and Earl Johnson, and one niece, Rowena Johnson.

The remains were removed to the Williamson Funeral Home, and funeral arrangements will be announced later.

Mrs. W. Postlewait Dies at Carrollton

Greene County Woman Called by Death Thursday; Funeral Will Be Held Sunday

Carrollton—Mrs. Margarette Fry Postlewait, wife of Justice Walter Postlewait, passed away at her home on South Fifth street here at 5 o'clock Thursday morning after a lingering illness. She was born May 25, 1883, at Salisbury, Mo., a daughter of Mr. and Mrs. George Fry.

She was married Dec. 23, 1906, to Walter Postlewait. She is survived by her husband and one son, Walter, Jr. The couple were married at San Luis Obispo, Cal., where they lived until 1921, when they moved to Carrollton. They have since resided in this community. Mrs. Postlewait leaves also one niece, Mrs. R. Gerhart of St. Louis.

The remains were removed to the Mehl & Son funeral home, where they will lie in state until the hour of service. Funeral ceremonies will be held from the Mehl funeral chapel at 2 o'clock Sunday afternoon, in charge of Rev. A. A. Beger, with interment in the Carrollton city cemetery.

The Maya Indians, of Yucatan, believe that aged vultures enter the dens of armadillos and change into armadillos themselves.

Three Hundred Couples Attend Birthday Ball

Third Annual Event Is Held At State Hospital Gymnasium

Three hundred couples attended the third annual President's Ball given at the Jacksonville State Hospital gymnasium last night. The event being staged to raise funds for work among victims of infantile paralysis. It is estimated that the receipts from the Ball here will amount to approximately \$300 with 70 per cent of the net proceeds to be used in this community and the remainder to go to a national fund to continue research efforts.

Music for the dancing was provided by musicians from Musicians Union, No. 128, of this city. Vocal duets were sung by Misses Helen Denny and Eleanor Large, their numbers adding much to the enjoyment of the evening.

The huge gymnasium was appropriately decorated for the occasion, a feature being a large photograph of President Roosevelt under flood lights. The dancing was halted during President Roosevelt's talk over the radio, and the dancers listened to his address.

A huge six-layer birthday cake occupied a place of prominence at the Ball. The cake was given away as a prize near the close of the dancing program.

Hebron Ch. Minstrel postponed until Feb. 5.

Births

Word has been received here of the birth of a daughter to Mr. and Mrs. H. H. Anderson in Hollywood, Calif., on January 28. Mrs. Anderson before her marriage was Miss Maude Eva Hockett of this city.

Former Alexander Man Passes Away

J. J. Devan Dies At New Berlin Wednesday; Funeral To Be Saturday

Alexander, Jan. 30.—J. J. Devan, former Alexander resident, passed away Wednesday night at 9:30 o'clock at his home in New Berlin. Mr. Devan's death followed a lingering illness. During his residence here he was engaged as a barber.

Funeral services will be held Saturday morning at nine o'clock, at St. Mary's Catholic church in New Berlin.

News Notes
Miss Dolly Fulton who underwent an operation at Passavant hospital Tuesday is reported to be getting along as well as expected.
Jack Welch, former Alexander resident, has moved here from Springfield.

Henry Isaacs, rural mail carrier, is a patient at a Springfield hospital. The children of the grade schools will give a play here February 14.
Rev. J. R. Warlick will preach at the M. E. church here Sunday morning.

Snow plows have been operating thru here all day to keep the state highway clear of drifting snow.

Mrs. Dallas Hagan Dies This Morning

Death Of Well Known Resident Of City Occurs At One O'clock

Mrs. Dallas Hagan passed away at one o'clock this (Friday) morning at her residence, 1728 South Main street. Mrs. Hagan had been in ill health but her death this morning was unexpected. A more extended obituary will appear in this paper at a later date.

FUNERAL NOTICES

Funeral services for Earl H. Ward will be held Saturday afternoon at 2 o'clock at the Williamson Funeral Home in charge of Rev. George M. Hayes. Burial will be in Diamond Grove cemetery. The body will be taken to the residence of Mrs. Ward's mother, Mrs. Estelle Enriklin, 353 Franklin street today.

Services for Oscar Davis will be held Saturday afternoon at 2:30 o'clock at the residence, 434 Sherman street. Burial will be in Jacksonville cemetery.

Funeral services for George J. Johnson will be held Sunday afternoon at 2 o'clock at the Williamson Funeral Home in charge of Rev. G. T. Wetzel. Burial will be in Diamond Grove cemetery.

SHEEP STARTS FIRE

Arcadia, Wis., Jan. 30.—A fire which destroyed a barn and machine shed on the Emil Fink farm near here was blamed upon a sheep which stood too close to a water heater and started its wool on fire. The loss was estimated at \$4,000.

Bonus Brings Cost Of World War To \$49,200,000,000

Officials Concede That Cost Will Not Stop There

By Melbourne Christerson
Associated Press Staff Writer
Washington, Jan. 30.—(AP)—Treasury officials figured today that payment of the soldier bonus will bring the cost of the World War to the American government to about \$49,200,000,000.

They conceded, however, that the cost would not stop there. Ever since 1921 the continuing costs—interest on liberty bonds, veterans compensation and the like—has been running about \$1,000,000,000 a year.

Hostilities on the German western front ceased November 11, 1918, but it wasn't until July 2, 1921, that the then president—Warren G. Harding—declared the war at end.

There were some big items marked down, including: \$2,819,195,163 for doughboys' pay; \$613,134,005 for the sailors; \$1,900,000 to build new navy ships; \$3,072,526,531 to increase the merchant marine; \$1,629,000,000 for running the railroads; \$575,321,000 for armament; another \$502,000,000 for navy torpedoes, armament, etc.; \$3,203,000,000 for fortifications; manufacture of arms, armored motor cars, etc. for the army; \$469,919,000; \$633,271,000 for bridges, depots, and other engineering activities; \$316,653,000 for army medical care; \$165,049,000 for the marine corps; \$561,733,000 for war risk insurance; \$33,822,000 for the national guard.

Society News

Miss Catherine Shanahan Honored On Birthday

Miss Catherine Shanahan was entertained at a surprise party Tuesday evening, in honor of her 21st birthday, by her sister, Miss Mary Shanahan, at her home on 330 E. College avenue. She was the recipient of many lovely gifts.

Cards, games and dancing were enjoyed during the evening, prizes being won by Elmer Zahn, Irene Shanahan, Mrs. Elmer Zahn, Eloise Tendick, Catherine Thompson and Kenneth Brown. At a late hour, dainty refreshments were served in keeping with the Valentine season.

Those present were: Elmer Zahn, Francis Shanahan, George Graubner, Kenneth Brown, Joseph Shanahan, Robert Moore, Bernard Shanahan, Frank Mathies, M. D. Shanahan, Harry Taylor, John Shanahan, Leo Hamilton, Mrs. Merle Smedley, Miss Clara Strickler, Miss Irene Shanahan, Mrs. Elmer Zahn, Miss Marion Verner, Miss Margaret Shanahan, Miss Frances Strickler, Miss Mary Shanahan, Miss Mabel Nelson, Miss Eloise Tendick, Miss Catherine Thompson and the guest of honor, Miss Catherine Shanahan.

Trinity Church Auxiliary Holds Meeting

A largely attended meeting of the Trinity Church Auxiliary was held Thursday at the rectory. Following the luncheon a most interesting program was enjoyed. Three ranking officers and workers in the diocese were present from Springfield and delivered addresses.

Those who made the principal talks of the afternoon were Mrs. G. Weart, diocesan president; Miss Maude Whitely, diocesan chairman of charitable work, and Sister Mary Rafael, who is with the Orphanage of the Holy Child in Springfield. The entire meeting was greatly enjoyed by all present. A thorough review of the auxiliary's work in the diocese was presented.

B. and P. Woman's Club Will Hold Board Meeting

The executive board of the Jacksonville Business and Professional Woman's Club will meet on Monday evening for a 6 o'clock pot-luck supper at the home of Miss Lorine Dewee, 514 North Prairie street. Following the supper a business meeting will be held.

League of Women Voters' Group Will Meet Today

The Consumers' School of the League of Women Voters will meet this afternoon at 3 o'clock with Mrs. Friedrich Engelbach, 1106 West State street, Dr. Engelbach, city health officer, will address the group upon the subject, "Safeguarding the Food and Milk Supply."

Tri-Y Meets at Rantz Residence

The local Tri-Y club held its regular meeting Tuesday evening at the home of Miss Jean Rantz. A potluck supper was served. Thirty-seven members of the club were present. During the business session plans were made for the alumnae meeting. The speaker of the evening was Mrs. Marion Chase Schaeffer, whose subject was "Speech."

Matanzas Club Meeting Thursday

The Matanzas club met yesterday at the home of Mrs. F. W. Zimmer, 1648 South Main St. There was a pot-luck luncheon at noon. Ladies present included Mrs. W. B. Rogers, Mrs. Trask, Mrs. E. C. Roach, Miss Allie Marsh, Miss Ida Maddox, Miss Laura Fox, Mrs. W. E. Hall, Mrs. H. L. Griswold and Miss Frances Griswold.

137,000 Workers Are Threatening Walkout In N.Y.

Three Industries Will Be Affected In Big Strike Called

New York, Jan. 30.—(AP)—Labor leaders marshaled their forces tonight for a series of threatened walkouts that may embrace more than 137,000 workers during the next few days.

If carried out, the strikes would affect three industries—dressmakers, fur workers, and building service employees.

Negotiations to settle the disputes between employers and employees went forward throughout the day, with little outward success.

In the largest of the three impending struggles, that between 105,000 dressmakers and their employers, it looked like a finish fight over questions dealing with the jobber-contractor system.

Preliminary walkouts already have been called by the Building Service Union and leaders were preparing to call more than 20,000 workers off their jobs in 1,200 buildings on Monday.

Most conspicuous of the targets coming under the aim of this organization, although it involves only 320 workers, was the lofty Empire State building, tallest in the world.

Alfred E. Smith, president of the corporation that owns the building, was charged with "ignoring" the union's demands in a full page advertisement published today over the signature of James J. Bambrick, president of the Greater New York Council of Building Service Employees International Union.

PICKETS ON DUTY

Pekin, Ill., Jan. 30.—(AP)—Officials of the American Distilling Company today said they had not decided when operations would be resumed at the plant which strike pickets forced to close more than a week ago.

Road District Near Glasgow To Vote On Gravel Bond Issue

Amount Of \$10,500 Will Also Retire Back Debts; Other News Notes

Glasgow, Jan. 30.—Road District No. 3 of Scott county, which lies west of here in the southwest part of the county will hold an election Saturday, February 1, at the Zion's Neck Schoolhouse, for the purpose of voting on a bond issue for \$10,500.00 to pay back indebtedness and also provide funds which will enable the district to take advantage of the WPA project for road improvement. According to the requirements the district must furnish the gravel for the road improvements project and without these additional funds it would be unable to take advantage of the project. A petition has been signed by the majority of the landowners in the district asking that an election be held to vote on the issuance of the bonds. Made possible by a recent act of the General Assembly, permitting these districts to issue them within certain limitations. Glasgow, being incorporated is not included in this district.

Postponed Meeting

The January community program that was to have been presented in the M.W.A. hall Wednesday evening has been postponed until sometime next month. The exact date has not as yet been determined. The postponement was caused by the fact that J. L. Ifner, the speaker of the evening was unable to be present and also was due largely to the recent antics of the weatherman.

Personal News
Mrs. Henry Lettice has returned from a visit in Pekin. Her daughter, Mrs. Archie Williams and son Paul accompanied her here for an indefinite visit.

Mr. and Mrs. Chas. Helkus returned to their home in Vandalia, Ill. the first of the week after being guests at the home of Mr. and Mrs. Alex Howard over the week end.

Alex Howard is in New Athens this week, where he has employment with a road construction outfit.

Clark Peak is confined to his home south of town by illness this week.

Mr. and Mrs. William Cleary were shopping in the city yesterday from Orleans station.

Everett Johnson, of Alexander, was a business visitor in the city yesterday.

SOCIAL CALENDAR

The Fine Point club will meet this afternoon at 2:30 o'clock with Mrs. C. H. Hall, 729 West State street.

South Side Circle will meet this afternoon with Mrs. W. O. Wait, 120 Westminster street. Mrs. Henry Strawn will be the program leader.

The Friday Social Circle will meet at 2:30 this afternoon at the home of Mrs. P. W. Fox, 729 West Douglas avenue.

Mrs. C. Scher, of Bluffs, was shopping in Jacksonville yesterday afternoon.

William Casey, of the Woodson community, was a Thursday caller in the city.

Roy Thady, of Murfreesboro, was a business visitor in the city yesterday.

Alex Howard is in New Athens this week, where he has employment with a road construction outfit.

Clark Peak is confined to his home south of town by illness this week.

Mr. and Mrs. William Cleary were shopping in the city yesterday from Orleans station.

Everett Johnson, of Alexander, was a business visitor in the city yesterday.

LOCAL WEATHER BULLETIN
A checkup of thermometers early this (Friday) morning showed the following temperatures: State Hospital, 6 below; North Side Disposal Plant, 6 below; South Side Disposal Plant, 3 below; South Side Pumping Station, 4 below.

The mercury dropped five degrees from midnight until 1:30 o'clock.

John W. Marshall, Wabash operator, reported the thermometer at his home at midnight registered 8 below.

"Mental Stance" Is Stressed In Talk

Raymond Nusspickel, College Coach, Addresses Club Members

Stressing the importance of "mental stance," Raymond Nusspickel, coach at Illinois College, last night brought a stirring address to the American Business Club at its regular meeting in the Peacock Inn. The coach related numerous instances where mental stance carried athletic teams to victory, and pointed out that athletics was the only place that this important characteristic can successfully be taught.

During the business meeting, the club heard a report from John Curias, in which it was proposed that the club join in the Big Brother movement, and also heard from Ralph Easley, who urged the club to join in the recreational project now being sponsored in the county.

Pete Newman, field representative of A. B. C., was a guest at the meeting, at which was read an invitation to send delegates to the birthday party for the national president, Russell Quinn, to be held at Danville, Feb. 18. The club was invited to attend the Kiwanis machine next Thursday noon, at which Col. Storey will speak on the Ethiopian question.

Four traits are looked for in athletes, Coach Nusspickel said at the beginning of his discussion, and the one which amounted to the least was physical stature. It helps, he said, to have a good physique, but there are more important traits.

Courage is one of the characteristics more desirable than a beautiful physique, he declared, and then said there were many different kinds of courage. The ability to act right quickly, is even more desirable, he continued, relating numerous stories where games were won and lost on this single point.

But most important is the mental stance, he concluded, or the ability to go into a game and give it everything from the opening whistle until the close. That, he said, is not only applicable to athletics but to life in general.

SERVICES FOR CIVIL WAR VETERAN SUNDAY

Funeral services for L. A. Barr, Civil war veteran, who passed away in Los Angeles, will be held Sunday afternoon at 2 o'clock at the Litterberry Baptist church in charge of Rev. D. C. Byas and Rev. W. E. Boston. Burial will be in Arcadia cemetery with Legion participating in the services.

Dean Hawkins Will Speak on Life of Late Jane Addams

Grace Church Continues
Series of Lectures on
Christian Leaders

The fourth in an interesting and
exceedingly vital series of sermon ad-
dresses on "Outstanding Present Day
Christian Leaders" will be given next
Sunday night at Grace Methodist
church by Dean Hawkins of MacMur-
ray College. Although Miss Addams
died some months ago her strong in-
fluence lives after her and the story
of her wonderful life and work could
hardly be omitted in this Grace
church evening series.

Many people may think of Jane
Addams chiefly as a good woman who
was kind to the poor, but beautiful
as that is it is only a small portion
of her life. She has been called the
greatest woman of her times. Miss
Addams was a liberal who by many
was called a radical but in her a pro-
foundly critical and radical disposi-

tion was united with the spirit of a
saint. Warned as she often was that
the rich would not give their support
if she persisted in her liberal views,
she never wavered. Many of the con-
servative rich who were offended by
her views continued their support
saying, "She might think strongly
but she could never do wrong."

It was significant that in 1934 when
the University of Chicago conferred
honorary degrees upon Herbert Ho-
over, Mrs. Perkins and Miss Addams
that though Mr. Hoover and Mrs.
Perkins were unwilling to pose to-
gether they were quite willing to be
photographed separately with Miss
Addams. One of the fine qualities
of Miss Addams was that she had a
spirit of generosity and love for those
who opposed her.

To hear the story of Miss Addams
work will be most interesting and
constructively helpful and Mrs. Haw-
kins is especially well qualified to tell
it.

MACMURRAY FIRST SEMESTER CLOSES

MacMurray College students will
spend the week-end at their homes
following the semester examinations.
Plans for the next semester will be-
gin in earnest upon their return on
Monday.

The first event of importance will
be the lecture of William Rose Benet
on Friday, Feb. 7, in Music Hall. His
subject will be English and American
Poetry. He will read some of his own
poems.

TEMPLIN'S GROCERY.

"You can't find a creamier, purer shortening,"
enthuses WILLIAMSON'S GROCERY.

JERSEYVILLE MAKES PLANS FOR BAPTIST CONVENTION FEB. 1-2

Jerseyville.—The western district
rally for all Baptist young people will
be held in Jerseyville Feb. 1 and 2 at
the First Baptist church. The general
theme of the rally will be "Christ's
Call to Youth," Mark 1:17.

The program will begin at 1:30 Sat-
urday afternoon, Feb. 1, with the reg-
istration and assignment of delegates.
At 2:30 o'clock a song service will be
conducted with Rev. Paul Tatman as
leader. Fifteen minutes later a wor-
ship service will be conducted by Rev.
Ralph Cummings. Following this, Rev.
P. V. Wright will speak on the theme
"What Values Are There in Church
Membership?"

The Alton young people will then
conduct a youth's congress skit. Rev.
Philip Johnson will then speak for
forty-five minutes on the topic, "What
Values Are There in Leisure?" Then
comes a national convention skit con-
ducted by the Chicago young people.
This will be followed by the banquet
at which time Rev. L. H. Koehler will
give "Bits of Wit."

The evening session will be held in
the Methodist church. A worship
service will be conducted at 7:30

o'clock directed by Herschel Fritz. At
7:45 o'clock an oratorical contest will
be held and at 8:30 Rev. Vernon L.
Schoutz will deliver an inspirational
address.

Use Tomatoes Often for Their Vitamins

By MARY E. DAGUE
NEA Service Staff Writer

Here are some suggestions for getting the benefit of tomatoes' vitamin C content. They'll help get them on to the menu at least four times a week.

Don't overlook the tomato juice

HERE ARE THE REAL FACTS ABOUT BRAN

Brought Out by Tests with Kellogg's ALL-BRAN

Some years ago, there was considerable difference of opinion regarding the use of bran. So to discover the actual facts of the case, the Kellogg Company asked for a series of laboratory tests at leading universities.

Experimental studies on a group of healthy women showed that the continued use of bran was thoroughly satisfactory. Unlike cathartics, it did not lose its effect.

Other independent tests on men indicated that, with certain people, the "bulk" in bran was more effective than that found in fruits and vegetables.

Laboratory analysis proved that Kellogg's ALL-BRAN supplied vitamin B and iron as well as plenty of bulk. This "bulk" in ALL-BRAN is gentle in action. It absorbs a great deal of moisture, and cleanses the intestinal tract.

ALL-BRAN corrects constipation due to insufficient "bulk." It is the natural way—far better than using pills and tablets. Serve as a cereal—or use in cooking. Sold by all grocers. Made by Kellogg in Battle Creek.

cocktail for dinner, luncheon or breakfast. A little lemon juice, a few drops of tabasco sauce, onion juice or Worcestershire sauce add point to the drink.

Or stiffen the juice with gelatin and rice if over crisp toast or toasted crackers as an appetizer for luncheon or dinner. Minced parsley can be sprinkled over the tomato jelly or arranged to form a wreath of green around the red.

Jellied Salads Are Popular

Try serving jellied tomato salad between slices of pineapple, with mayonnaise masking the whole. Bananas are excellent with tomato jelly, too, cut in thin slices and molded in it, or alternating slices of banana in pieces about 3-4 inch thick and jelly the same thickness and shape. When a vegetable salad is wanted, such vegetables as celery, cabbage, raw turnips and cauliflower are piquant molded in the jelly.

Vegetables combine well with tomatoes. Put alternating layers of canned lima beans and tomatoes in a buttered baking dish. Cover the last layer with coarse buttered crumbs and bake twenty-five minutes in a hot oven. Serve from the baking dish.

Salt codfish baked in tomato sauce is inviting for luncheon. The fish must be freshened over night in water to cover. Drain and simmer in fresh water until tender. Place in a buttered baking dish and sprinkle lightly with two tablespoons flour, 1/2 cup with bits of butter. Cover with two cups strained tomatoes and bake in a moderately hot oven. The tomato

TOMORROW'S MENU

BREAKFAST: Chilled tomato juice, cereal, cream, baked French toast, honey, milk, coffee.

LUNCHEON: Avocado potato balls, lettuce sandwiches, ginger pudding, milk, tea.

DINNER: Oyster stew, concordia tomato-on toast, mixed fruit salad, lemon sponge pie, milk, coffee.

juice thickens during the baking and makes a sauce just thick enough to coat the fish.

Concordia Tomato on Toast
Two tablespoons butter, 2 table-

spoons flour, 2 cups canned tomatoes, 1 onion sliced, 2 cups corn, 1 teaspoon salt, 1-4 pound sharp cheese.

Melt butter and add onion. Cook over a low fire until a pale straw color. Sift over flour and stir until perfectly blended and bubbly. Add tomatoes and corn and cook ten minutes, stirring until thick and smooth. Stir in cheese which has been grated or cut in very thin shavings. Cook and stir until cheese is melted. Serve on crisp toast.

A good way to use the coarse outer stalks of celery is in a combination dish.

Combination Dish
One quart canned tomatoes, 1 tablespoon sugar, 2 cups diced celery, 1 teaspoon salt, 1-8 teaspoon pepper, 3 tablespoons butter, 2 tablespoons flour.

Melt butter and stir in flour. Cook and stir until bubbly and flour is slightly browned. Add tomatoes, sugar, salt, pepper and celery and cook until celery is tender, about twenty minutes. Stir occasionally to prevent sticking. Serve with toast cubes sprinkled over the top of the dish.

Mrs. Ralph Newell Entertains Club

Ashland Women Guests at Bridge Party Tuesday: Other News Notes

Ashland—Mrs. Ralph Newell was hostess to the members of her bridge club at her home Tuesday night. Two tables of bridge were enjoyed, following which the hostess served dainty refreshments. High score prize was won by Mrs. F. Clark Wallbaum, and traveling prize went to Mrs. Frank Fitzgerald. Others present included Mrs. Paul Duling, Mrs. Elwell Mann, Mrs. William C. Strubling, Mrs. F. Lee Terhune, and Miss Helen Newell.

Mr. and Mrs. Elmer Hinds entertained the following at dinner at their home Sunday: Mrs. Ray Barnard, Kalamazoo, Mich.; Miss Lillian Leslie, Chicago; Mr. and Mrs. Russell Hinds and William Hinds, Springfield, and Miss Janie McCombs, Ashland.

Dr. and Mrs. R. O. Beadles entertained the following guests at their home over the week end: Mrs. Eva Fields, Miss Anna Williams, and Miss Bertha Beadles, all of Quincy.

Rockwell Stowell, son of Mr. and Mrs. Leslie Stowell of Newmanville, ten miles north of Ashland, was released Tuesday by Linnet's ambulance of Champaignville to a Springfield hospital, where he will undergo a major surgical operation. He has been ill at his home for several weeks.

Rev. Ewing, pastor of the Pleasant Plains M. E. church, was a caller in Ashland Tuesday.

The Townsend club of Ashland held a meeting Monday night at the Art Craft theater. Mrs. William Holmes of Virginia made an address, but the attendance was small due to the cold weather.

Circuit Court Orders

FLAPPER FANNY SAYS

You can't hold the whip hand when you're roaring with anger.

FRANK BAKER TO BE CORONER CANDIDATE

Petitions to place the name of Frank Baker in nomination for coroner at the Republican primary election in April were in circulation here yesterday. Mr. Baker was for a number of years a member of the Jacksonville police department, a part of which time he served as chief of the department.

15 BELOW AT ROODHOUSE

Roodhouse.—Thermometers here registered 15 degrees below zero at 5 o'clock yesterday morning.

Shortage of Coal Closes White Hall School This Week

High School is Dismissed on Wednesday; Dealers are Swamped with Orders

White Hall—The White Hall High school closed Wednesday noon for the remainder of the week because of a shortage of coal in White Hall. The grade school will have enough coal to finish out the week unless another blizzard hits the city in the next two days.

Dealers are making allowances on coal orders in order to eke out the coal until shipments can be received. Local coal mines are swamped with orders and cannot supply the demand. Walkerville school in Walkerville township, is closed this week because of scarlet fever in the district. Two families are quarantined in one home with the disease. Mrs. Fred Pruett and children are quarantined in the home of her brother-in-law, Charles Pruett. Two children of one family have the scarlet fever and one in the other.

Bishop Dell school in Patterson township opened again Wednesday of this week after having been closed a week on account of the cold weather.

John Jones, ferryman at Pearl was able to run the ferry Wednesday after having been closed down for

two or three days because of the ice in the river.

New Factory Will Open

The Starkey store building on Main street, last occupied by the Griswold and Dawdy furniture store, is being redecorated and a new heating plant put in preparatory to putting in a garment factory there. The building has been leased to the Co-Ed Frock company, which has factories at Alton, Shelbyville and Assumption, and it is expected the company will employ about fifty or sixty women when fully established. A number of women have already applied for jobs in the factory.

The manager, Mr. Deutchman, when here making arrangements, stated that ten women will be put on each day until the quota is reached. Women will not have to be on relief to secure employment, but preference will be given to women having experience on power machines, and the work will be piece work.

Robert Camerer and several helpers are employed in painting the woodwork and papering the building, getting it ready and the company will install a new heating plant in the building.

Machines were to be sent here this week to be installed as soon as possible in order that there will be no delay.

Applications for employment may be made to Mayor Stanley Thomas Friday and Saturday this week.

Music Club Meets

The White Hall Music club held their regular meeting Wednesday at the home of Miss Mary Ellis on North Main street. Potluck luncheon was served at 12:30 which was followed by the regular program. Mrs. J. F.

Short gave a talk on "My Favorite Composer," and roll call was answered by the same topic. A number of changes were made necessary on the program but the following numbers were given:

Original Pianolog—Mrs. F. N. McLaren.

Piano solo, "Liebertreuem." (Lizt)—Mrs. Peter Roodhouse.

Piano duet, "Woodland Echoes"—Mrs. Carl Moulton and Mrs. J. F. Short.

Piano solo, "Marche Militaire," (Schubert)—Miss Effie Nicholson.

Piano solo, "Impromptu." (Schubert)—Miss Mildred Morrow.

Group of Trios:

(a) "Gulls of St. Mary's"

(b) "Kathleen"

(c) "Home on the Range"

Sung by Mrs. C. C. Brown, Mrs. Edward Elkwood and Miss Bird Dun-

can.

Twenty-three members were present. The next meeting will be with Mrs. Peter Roodhouse and a patriotic program will be given.

Elect Company Officers

The annual meeting of the stockholders of the White Hall Sewer Pipe and Stoneware Company was held in the factory office, Tuesday. The regular routine of business and reports were given and election of officers was held. All officers were re-

lected. C. B. Stahl of White Hall is president and general manager, Dr. E. E. Haverstick of St. Louis is vice president, and H. W. Shirley of White Hall is secretary and treasurer. The stockholders were served dinner at the Griswold cafe at noon.

Howard Halley, son of Jacksonville, who is managing editor of a newspaper in San Francisco, and overseer of a number of syndicates, passed through this way enroute to New York City on business. Rev. Halley was pastor for three years and of the Berdan Circuit in Greene county for two years when Howard was quite young, and there are many friends who are interested in his career.

LET KIDNEYS FLUSH OUT 3 LBS. A DAY

Clean Out 15 Miles of Kidney Tubes

Nature put over 15 miles of tiny tubes and filters in your kidneys to strain the waste matter out of the blood. Kidneys should pass 3 pints a day and so get rid of more than 3 pounds of waste matter.

When the passing of waste is scanty, with smarting and burning, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

If kidneys don't empty 3 pints a day and so get rid of more than 3 pounds of waste matter, your body may take up some of these poisons causing serious trouble. Don't ask your druggist for Doan's Pills, which have been used successfully by millions of people for over 40 years. They give happy relief and help the kidneys to flush out 3 pounds a day. Insist on Doan's Pills.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged. Your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

RIOT AT IRON MINE

Singapore—(P)—Eight persons were killed and 31 wounded today in a riot at an iron mine in the state of Treng-

ganu, in the northeast Malay peninsula. The casualties were suffered by coolies during several hours of fighting as a result of a quarrel over gambling.

Jersey Delegation To I.A.A. Meeting

Farm and Home Bureau Men and Women Leave for Decatur Convention

Jerseyville.—A group from the Jersey County Farm Bureau and the Jersey County Home Bureau left Wednesday for Decatur where they will remain until this evening attending the sessions of the annual Illinois Agricultural Association conference.

Those from here in attendance are: Mr. and Mrs. W. O. Wilson, Mr. and Mrs. Herman Schafer, Mrs. Paul Warner, Mr. and Mrs. C. T. Kibler, Richard H. Voorhees, Mrs. Maurice Jacoby, Ira Cottingham, Henry Schroeder, Claude Yocum, Steve Sherman, Wilson Schultz, Leo Bouska, Henry Krueger, J. R. Fulkerson, G. W. Weinke, Charles Rue, and Herbert Scheffel.

Award Letters
Fifteen students at the Jersey

Township High school were awarded their "J" letters for the past football season. The presentation was made by Coach W. J. Creamer who explained the qualifications necessary to merit a "J."

Those who received the letter are: Virgil Allen, John Cannon, Donald Saxby, Gerald Wilson, Bill Murray, Bertren Sinclair, Frank Christen, Avery Gist, Joseph Kramer, Donald Raftis, John Cummings, Charles Ringhausen, Russell Shaw, John Cross and Scott Gier.

Mark Anniversary
Mr. and Mrs. Harry Flamm of Jerseyville were guests of honor at a dinner Sunday at their home given in celebration of the forty-second wedding anniversary of the couple which they observed the day before. Sixteen guests were present.

Mr. and Mrs. Flamm were united in marriage at Bathtown, forty-two years ago. The bride was Miss Nettie Simpson, daughter of Elias Simpson of Bathtown, and the groom was the son of John Flamm of Jerseyville. They established their home in Jerseyville following the marriage and have lived here ever since.

Miss Gates Speaks Of South America
Y. W. C. A. Secretary Tells Kiwanis Club About Trip to Brazil

Jacksonville Kiwanians were entertained at their Thursday meeting by an interesting and instructive address given by Miss Louise Gates, who recently returned from South America, where she represented the Y. W. C. A. Miss Gates gave an interesting description of the country, its people and habits.

She spoke of the beauty of Brazil where she spent most of her time of its even and delightful temperature and of the lethargy which seems to have seized the natives. The vegetation grows luxuriant and the scenery is most beautiful, said Miss Gates. However, insects that are at all times prevalent prevent the inhabitants from fully enjoying themselves.

While the South American countries are the oldest from point of discovery they are far behind North America in progress. The politicians seem to have but one idea that of obtaining as much tax money as is possible, in as many ways as possible. And once in the government service always in this service.

Miss Gates believes that there are great possibilities for the development of trade between the United States and South America.

Announcement was made at the club meeting that Col. Sidney Story of Chicago will be the speaker at the Kiwanis meeting next Thursday.

Cass Farmers Will Hunt Wolves Today
Roundup Will Take Place in Two Townships; Plan Start at 9:30

Beardstown.—B. B. Clark and S. S. Monroe of Newmansville have announced that they will sponsor a wolf hunt in Newmansville and Panther Creek townships today.

The hunters are asked to meet at Newmansville at 9:30 a.m.

Numerous wolves have already been killed by Cass county farmers who intend to eradicate the beasts if possible. One farmer, Jules Jokisch, who resides near Hagener station, killed two large wolves last week. One of the Keithly brothers has already killed five this winter, and several others have been killed.

The wolves have killed chickens, ducks, and sheep throughout the county, and have been especially numerous in the Newmansville area.

Philadelphia Gets Big WPA Allotment
\$100,000 Allowed for Fixing Democrat Convention Hall

Washington.—(P)—Announcement that a PWA allotment of \$100,000, including more than \$100,000 for convention hall repairs and nearby streets, had been granted Philadelphia, today aroused speculation on Cleveland's chances of getting a similar grant.

The Democratic and Republican convention will be held in Philadelphia and Cleveland, respectively, in June.

Mayor S. Davis Wilson of Philadelphia announced yesterday that Harry L. Hopkins, WPA administrator, had approved allotment for his city.

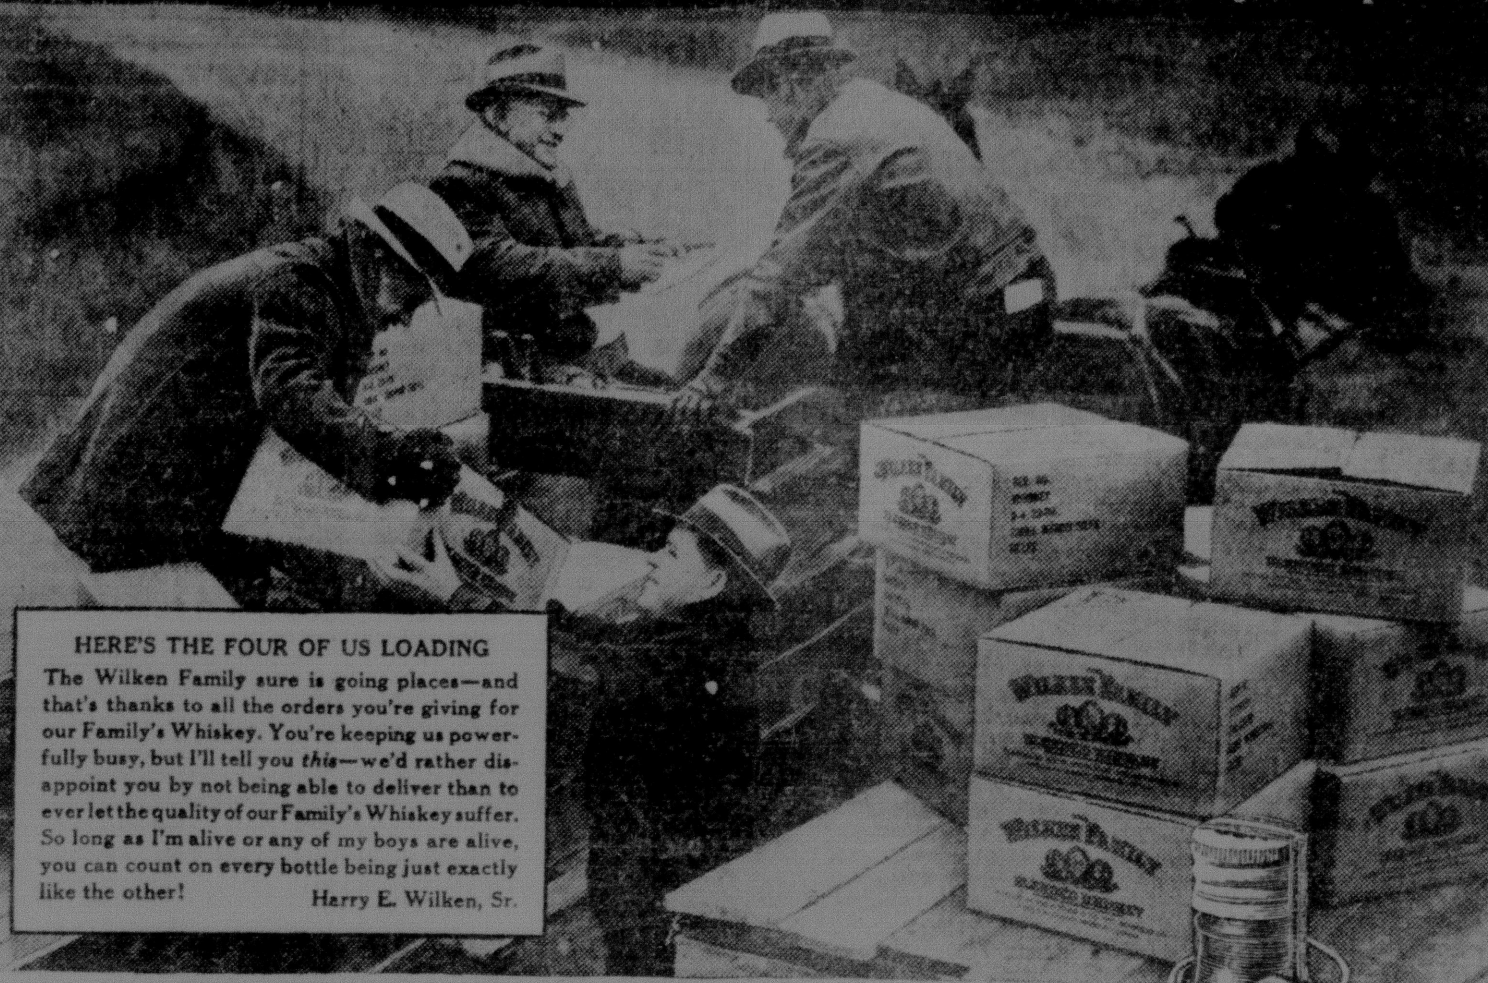

Officials in Cleveland, meanwhile, were preparing estimates on the renovation of the Public Auditorium, and said approximately \$300,000 will be needed.

Hopkins recently said the WPA had approved a project to repair the Cleveland auditorium. He mentioned no figure. The records indicated, however, that up to date the only funds allotted were \$4,000 for plumbing work.

WILL RESUME SERVICE
St. Louis, Jan. 30.—(P)—The Federal Barke Lines today announced regular services, interrupted by the winter, would resume as follows: March 3, to Illinois river points and Peoria; March 6, to Missouri river points and Kansas City; March 14, to Illinois river points and Chicago, and April 2, to upper Mississippi river points and the twin cities.

Mrs. E. F. Goltra and Field Goltra, of St. Louis, were callers in Jacksonville yesterday.

It's our family's whiskey, neighbor—and neighbor, it's your price!

HERE'S THE FOUR OF US LOADING

The Wilken Family sure is going places—and that's thanks to all the orders you're giving for our Family's Whiskey. You're keeping us powerfully busy, but I'll tell you this—we'd rather disappoint you by not being able to deliver than to ever let the quality of our Family's Whiskey suffer. So long as I'm alive or any of my boys are alive, you can count on every bottle being just exactly like the other!

Harry E. Wilken, Sr.

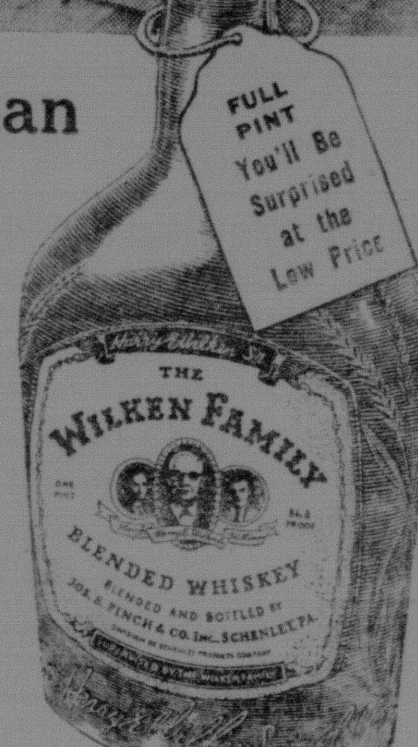

I guess folks are buying more than one bottle of our Family's Whiskey at a time!

If that pack of orders you're so kindly giving for our Family's Whiskey is by reason of you're wanting to make sure you got enough so as you won't risk running short of it, I think it's a real good idea. Up our way, we keep a supply right in the living room cupboard, for there's no knowing when some neighbor will take it into his head to drop by unexpected. I'm sure mighty pleased at how kindly you're tak-

ing to this Family's Whiskey of ours. I've been making whiskey over 40 years, but as yet I never did see folks act so delighted as everybody seems to be over the mildness and tastiness of our Family's Whiskey. This picture is me and the boys, so now you know the Wilken Family. But it's the Wilken Family Whiskey you really ought to know!

Tigers Toss In 30 To 21 Victory Over Murrayville Shadows

J.H.S. to Meet Ashland Here Tonight: Baptist to Shake up Routt Line-up For Cathedral

David Prince and Liberty Hall at the start of the season with injuries and illness handicapping Coach Traubner, but during the past few weeks the Panthers have been knocking off opponents with regularity. The Panthers dropped the I. S. D. Tigers in the final of the Ashland tournament 16-15 in the last ten seconds of play.

With one of the stiffest tests of their career coming up, the Crimsons will go into the game with their full strength. Coach Frank Walker probably will start the same combination of Lukeman and Hamon, forwards, Hamilton, center, Moxon, and Belatti guards, which early this week bumped off Waverly. Alb Ketter is almost certain to get some time in the game, Coach Walker alternating his services with those of Lukeman and Hamon.

Routt Chances Skinny.

Routt's hopes to win a game from Cathedral, Springfield city champs, are of the skinniest of all kinds. The powerful, six foot and better parochials bumped Routt hard in their game in Springfield, and are expected to turn the trick again tonight.

Coach Baptist has been dissatisfied with the manner in which his former starting line-up has been handling the ball, and is making some changes this week in hopes of getting better passing, and he hopes, better basket shooting.

Games at J. H. S. will be called at 7:15 and 8:15 p. m. and at Routt at 7 and 8 p. m. tonight, and about the same time Saturday night. The Illinois-McKendree game is scheduled for about 9:15 p. m.

Ashland, recent winners of their tournament, fell upon their luck

Smiths And Swifts Win In Y. M. League C. C. C. Boys To Replace Playboys In League: Both Win Easily

Smiths and Swifts won their games in the Y.M.C.A. basketball league last night on the David Prince court easily. Smiths romping over the Jacksonville Merchants 55 to 24, and Swifts winning from the Lynnville A. C. 34 to 20.

The Playboys, who participated in the first round of play, dropped out of the league, and will be replaced by the C.C.C. quintet beginning next Tuesday night. The Playboys were scheduled to play the Chevrolets last night.

Officials—Deem and Clark.

Although McKendree has not had much of a reputation as a basketball team in the past, it seems that the Bearcats are coming to the front in the cage sport this winter.

They have with them this year Manis, a six foot nine inch forward, who tossed in five field goals during his last conference game. "Spike" Wilson, he of the greased hips and snake like style of running of football fame, are two of the big scoring threats.

Wilson's speed and Manis' height have been worked into a team offense and they probably will give the Blue-boys a real tussle. Examinations have cut into the practice periods for the locals, but they got out their tops yesterday for a noon-time practice.

The noon-time practice was arranged so that Coach Van Meter, Louis Laster and Herb Scheffler could accompany C. C. Barlow, field agent, over to Quincy last night for a Y.M.C.A. banquet, sponsored by Carl Werner, former I. C. cheer leader and employee at the Illinois School for the Blind who is now running the affairs of the Quincy "Y".

Assignment of the district tournaments was made yesterday in letters from the I.H.S.A.A. offices in Chicago, indicating that it will not be long before pairings for the first round of the Elliott, g. 0 0 0 0

I. S. D. To Hold Both District, Regional Eight Teams Assigned Here For Play In Preliminary To Regional

Illinois School for the Deaf will be the site of the district high school basketball tournament, as well as the regional tournament, Dan T. Cloud, managing officer of the school, announced Thursday morning following the receipt of a letter from C. W. Whitten, manager of the Illinois High School Athletic Association in charge of the state tournaments.

Eight teams, Alsey, Bluffs, Chapin, Franklin, New Berlin, Pleasant Plains, Virginia and Woodson, have been assigned to the I.S.D. district to battle out for places in the regional tournament, to be held the first week in March. The district tournament will be held the last week of February. According to the plans this year, the eight low ranking teams of the thirteen assigned to a regional tournament, will play in a preliminary tournament to determine the field of eight teams for the regional tournament. I. S. D., Jacksonville, High, Auburn, Murrayville and Winchester have been ranked the five strongest teams through a process of seeding, carried on by the principals of the schools assigned to the tournament.

Further details of the assignment will be sent to Manager Cloud later, he said this morning after wiring his acceptance of the assignment to Manager Whitten.

The champions, runners up, and third place winners in the district tournament will qualify for places in the regional tournament, meeting the five teams which were ranked at the top of the seeded list.

Big Floor And Hot I. S. D. Team Work Against Midgets In Tussle on Local Court

A hot Illinois School for the Deaf team and a big floor were too much for Murrayville high's Shadows on the I. S. D. court last night, the Tigers tossing in a 30 to 21 basketball victory over their county rivals. The Tiger reserves also won the opening game of the double header from the Murrayville reserves 29 to 22.

Led by Wells and Baumann, the Tigers got off to a lead at the start and never were headed, although Murrayville started a rally in the final quarter during which they picked up eight points to six for the Tigers.

The Tigers with a new type of offense for them, went about their business of scoring points by controlling the ball a large part of the time. Their screens and the Tigers were quick to take advantage of temporary pauses on the part of the Murrayville man-to-man defense.

The deaf lads themselves used an "X" type zone defense to check the Murrayville scoring threats, and the set-up worked well. Not until the last quarter were the Shadows able to get through for safe shots, and then they couldn't hit with the same amount of accuracy that the Tigers connected during the first three quarters.

The Tigers got a 9 to 6 lead at the end of the first quarter, and had a 17 to 10 margin at the end of the first half. They increased their margin to 24 to 13 at the end of the third quarter, and then cooled off during the final period.

The Tigers deserted their slow breaking attack in the final quarter and turned on a fast break, but they failed to connect on their shots.

Murrayville put one of its smallest teams on the floor, with two boys under five feet six inches playing the forward positions. Sexton led the Murrayville scoring with 10 points, while Ken Brown usually the high scorer, had one of his worst evenings at the hoop, scoring six points, four from the free throw line.

The Tigers will play a double header here Saturday night, meeting Alsey in the first game, and Converse of Springfield in the second game. The first game will be called at 6:45 p. m. in order to get the floor cleared in time for the Illinois College-McKendree game scheduled for 9:15 on the same boards.

The box score:

Murrayville (21) FG FT PF TP

Tommy Hitchcock Declines Invitation Will Not Compete in Polo Cup Series to Be Played Abroad

New York.—(P)—Tommy Hitchcock Jr. has declared himself out of the international (Westchester cup) polo competition in England next summer, making room for California to be represented again by Eric Pedley.

Hitchcock gave the pressure of business as his reason for withdrawing. When he was selected last month along with Winston Guest, Michael Phillips, Edward Gerry, Stewart Iglehart, and William Post 2nd, Hitchcock told the United States Polo Association he was not decided on making the trip. Post declined the invitation immediately.

The association invited Pedley, who played spectacularly for the American side which defended the cup against a British team in 1930 at Meadow Brook the last time it was competed for.

Forced out of competition after two serious falls, Hitchcock returned to the sport last year and made an amazing comeback which sent him soaring again to the world's highest ranking—a handicap of ten goals.

Few Changes to Be Made at First Base Position Seems to Breed Iron Men Despite Its Hazards

New York.—(P)—Despite the obvious hazards of the job, first base seems to breed "iron men" in baseball.

For that reason, among others, comparatively few changes will be made among the major league guardians of the No. 1 sack for the 1936 pennant races.

Fourteen of the 16 players who held forth as regulars last season will be back at the same stand, barring accidents or some unexpected developments in training camps. This includes Jimmie Fox, the Maryland mauler, who began the 1935 season behind the bat at Connie Mack's request, subsequently returned to his regular job at first and who now has shifted his allegiance to the Boston Red Sox.

Fox will replace Ellsworth (Babe) Dahlgren, the flashy fielder from the Coast League. Needing no understudy for Fox, the Red Sox optioned Dahlgren to the Syracuse International. Meanwhile the A's have a choice of Jim Olesby, drafted from Los Angeles, or Lou Finney, a utility outfielder, for the first base job.

The Cincinnati Reds contemplate the only change among National League first basemen. George K. Morrison, top fielding first baseman of the International League with Newark last year but only a .268 hitter, is slated to replace Veteran Jim Bottomley.

The iron horse of the New York Yankees, Lou Gehrig, hasn't missed a game since June 1, 1925, and he doesn't anticipate yelling for help around first base this year. Gehrig's mark of 1,653 consecutive games is one of baseball's modern wonders. The Yankees carry no understudy for him.

Gus Suhr, custodian of first base for the Pirates, passed the old National League mark of 618 straight games last September but he has no chance to overhaul Gehrig.

Christy Flanagan Quits At Duquesne

Pittsburgh, Jan. 30.—(P)—Christy Flanagan, a Notre Dame ball carrier whose breathtaking runs electrified football throngs of a decade ago, is quitting his Duquesne University football job for the oil fields of his native Texas.

Flanagan's contract as head coach and athletic director expires tomorrow and he announced he will not renew it.

Although silent on his plans, friends of the 30-year-old one-time backfield student of Knute Rockne, said he intended to go into the oil business with his father at Port Arthur, Texas.

His seven years in the coaching business took him as an assistant to St. Louis University, Purdue and Navy before he came to Duquesne in 1934. He piloted the Dukes last fall to the Pittsburgh City collegiate gridiron championship over his bigger rivals, Carnegie Tech and Pitt.

Flanagan played football under Rockne at Notre Dame in 1925, '26 and '27. The high spot in his playing career, came in the Army game at New York in 1926—a 70 yard streak to a touchdown that gave the Irish a 7 to 0 victory.

In 1927, he ran the Navy to defeat with several long dashes and he was a star in Notre Dame's defeat of Southern California at Chicago the same year.

In leaving Duquesne, he recommended to the college administration his assistant, John J. (Clipper) Smith, be chosen as his successor.

If elevated, Smith will be the fourth successive Notre Dame man to direct football activities at Duquesne. First came Elmer Layden, then Joe Bach and Flanagan. Smith formerly coached at Trinity College, Georgetown, North Carolina State and Newark Academy.

Flanagan piloted Duquesne to a spectacular finish in the 1935 football season. After losing to Kansas State, Rice and Catholic University, his men defeated Washington of St. Louis, Carnegie Tech, Oklahoma A&G, West Virginia and Detroit. By whipping Carnegie, the Dukes won recognition as city titlist, since the third team in the neighborhood, Jack Sutherland's Pitt Panthers, got only a scoreless tie with Carnegie.

Coaches to Talk Grid Rules Soon

Pittsburgh.—(P)—The rules committee of the American Football Coaches Association will have subjects aplenty to talk about Saturday but the general impression remains the mentors will favor leaving standing regulations largely alone.

The 30-odd committeemen will meet in closed session Saturday morning to draft their recommendations to the national football rules committee. They will be guided by a questionnaire sent out by Lou Little of Columbia, chairman of the coaches' committee.

There are more than a dozen proposals on the list but the opinion is elimination of the "slow whistle" and moving goal posts back from the end zone to the goal line will get most attention.

Coach Jack Sutherland of Pitt will preside in place of Little, who is ill in New York. Sutherland is one of the powerful group of coaches holding the belief rule changing should be cut to a minimum, for awhile at least.

Clarence Ranson, of the Ebenezer neighborhood, was a caller in the city yesterday.

Dr. Willard Granted Medal for His Work

Chicago.—(P)—The F. Paul Anderson medal was presented last night to Dr. Arthur Cutts Willard, president of University of Illinois, in recognition of his scientific achievements in heating, ventilating and air conditions.

The award, made by John Howatt, chief engineer of the Chicago Board of Education, came at a banquet of the American Society of Heating and Ventilating Engineers.

Criticism of President Roosevelt was voiced by Major John L. Griffith, Western Conference athletic commissioner, who spoke after the presentation. Griffith lamented what he termed the president's failure to carry out his platform promises.

Capt. Eyston Given Speed Record Cup

London.—(P)—Capt. George E. T. Eyston was awarded the Seagrave trophy for 1935 today for his automobile records, set on the salt flats of Utah.

The trophy, in memory of Sir Henry K. Seagrave, is awarded for the most outstanding demonstration of possibilities of transport by land, air, and water.

Capt. Eyston, British racing car driver, broke the ten-mile record of Richard Smith of New Zealand at Bonneville salt flats, Utah, Sept. 6 by racing his "Speed of the Winds" across the salt flats at an average of 167.099 miles an hour. Smith's speed was 164.08 miles an hour. Official recorders also credited Eyston with a speed of 140.522 miles an hour for a 24-hour grind around a ten mile circular track on the salt flats.

White Hall

Rev. and Mrs. L. L. Chamness and son of New Providence, Iowa, were guests of Miss Edith Walton Monday night and of Dr. W. H. Garrison, Tuesday. They were enroute to Carlinville where Mr. Chamness will conduct a revival meeting. They were in Roadhouse and White Hall last spring and will probably return to White Hall for another meeting after the meeting is closed at Carlinville.

Jack Anderson, a pre-med student in the St. Louis University, is spending this week between semesters here with his parents, Mr. and Mrs. H. B. Anderson of East Bridgeport street.

Records Made on Salt Flats Recognized with Gift of Seagrave Award

New Plan Is Given to Senate

Secretary Wallace Claims

Plans Have Been Made to Regain 200 Millions Lost Under AAA.

DETAILS KEPT SECRET

Washington — (AP) — A tax bill to finance the new farm program was projected by the administration today coincident with the formal report to the senate of the soil conservation-subsidy plan.

Attorney General Cummings said the tax program would go to capitol hill within a week. Simultaneously, President Roosevelt summoned to the White House Secretaries Morgenthau and Wallace, Cummings and Daniel W. Bell, director of the budget, to discuss the problem of financing subsidy payments.

The annual cost of the temporary farm bill which the agriculture committee formally laid before the senate today has been estimated at \$440,000,000. Whether the tax program under consideration would seek to raise all this amount, more or less, was not known.

Wallace has made known that means of regaining the \$200,000,000 returned to processors by the Supreme Court's AAA decisions comprise at least one phase of the tax plans under consideration.

Senator Barkhead, who reported the farm bill to the senate, said he would call it up for consideration Monday.

The committee's report included a monetary discussion.

While Chairman Smith (D. S.C.) said it was included with unanimous

committee approval. Democratic leaders attached little significance to it. They emphasized it was merely a statement in the report and was not in the bill itself.

The monetary statement, inserted at the request of Senator Thomas (D. Okla.), asserted "artificial plans to raise and regulate prices have been tried and the Supreme Court has held such plans unconstitutional. . . . It has been demonstrated that prices have been controlled by the amount of money in circulation. . . .

Germany Observes Third Anniversary Of Hitler's Reign

Der Fuehrer Tells Soldiers Opposition Comes Because of Military Activity

Berlin — (P)—Reichsfuehrer Hitler declared to the German people today: "Whoever opposes us now does it not because we are Nazis but because we restored military independence to Germany."

His statement marked the national celebration of the third anniversary of Adolf Hitler's installation as chancellor of Germany.

Twenty-five thousand of his Nazi storm troop veterans assembled from all over Germany stood before him as he spoke from the steps of the old museum on the edge of the great Lustgarten.

Hundreds of thousands of other brownshirts stood at attention around radio loudspeakers throughout the Reich to hear their leader's words.

"Others are surprised at the miracle of Jan. 30, 1933," said Hitler. "Not we. For more than a decade we had looked forward to it confidently. x x x"

"All that I am, I am through you; all that you are, you are through me. Never has there been a closer bond between a leader and followers than between you and me."

The Reichsfuehrer's speech was preceded by a brief address by Paul Joseph Guebbels, minister of propaganda, who declared he was proud to say that Berlin now was a German city after having eliminated Jews and Marxists.

Hitler spoke 25 minutes while his uniformed followers stood rigidly before him.

"We seek peace because we love it," the Reichsfuehrer declared. "But we insist on our honor because we do not live without it."

"Whoever believes he can deal with us as slaves will find we are the most obstinate people imaginable. We are no longer defenseless Helots."

Directors Of Red Cross Chapter Are Elected At Meet

Annual Election Held Thursday; Reports Are Made At Meeting

The annual election of directors of the Morgan county chapter of Red Cross was held at a meeting at the Public Library last night. Numerous reports were heard and committee chairmen were appointed. Gus Bergquist is chairman of the chapter. H. J. Rodgers, vice-chairman. Miss Lillian Havenhill, secretary, and M. C. Reynolds, treasurer.

Other chairmen are as follows: Home and farm accident prevention, J. M. Hollowell; first aid, Dr. G. L. Drennan; highway first aid, Alfred Cowden; chairman, Frank Sullivan. W. O. Lucas, William Saville, Kenneth Woods, life saving, J. M. Hollowell; Junior Red Cross, Miss Amelia McMorris; publicity, Charles E. Souza; nursing activities, Mrs. Verne M. Peterson; disaster preparedness, E. J. Henderson.

Officers elected are as follows: Mrs. Lillian I. Denskin, Miss Lillian Havenhill, E. J. Henderson, Mrs. Verne M. Peterson, Mrs. H. K. Chenoweth, Rev. M. McKendree Blair, Roy Welch, Jr., Frank Lawler, J. H. Dial, Dr. David Reid, Mrs. J. Taylor, Hugh P. Green, Charles E. Souza, Dr. H. C. Jaquith, Kenneth Woods, Mrs. C. W. Cully, Dr. Geo. L. Drennan, Miss Grace Carter, Mrs. F. J. Blackburn, Oscar C. Zachary, Mrs. J. C. Colton, Robert Coffman, Mrs. Marshall Miller, Merle Reynolds, R. O. Soups, Max Tschauder, H. J. Rodgers, Gus Bergquist, Mrs. J. W. Walton, Fred B. Hopper, Victor Sheppard, A. G. Cody, Charles Aton, Frank McCarthy, J. M. Hollowell, Mrs. G. B. Andre, Earl Spink, Clarence Lukeman, Isabella Thompson, Dr. Leon Brown, Judge Wm. Thomson, Hazen Williamson, Howard Potter, Jacksonville, and Mrs. Roy Davenport, Orleans.

J. M. Hollowell, of the home and farm accident prevention committee, reported 124 public, private and parochial schools in the chapter; 124 schools participating and an enrollment of 7,000. There were 7,000 inspection blanks distributed in the homes and the total number of inspection certificates returned to the schools is 2,275.

Makes Report
The annual report, made by Miss Alma Mackness, executive secretary, is as follows:

"An average of 103 cases have been handled each month in the office during 1935. The Home Service work entails the major part of the work, and the majority of these cases concern disabled and dependent World War veterans and their families. A number of Civil War veterans, Spanish-American War veterans, regular army and navy veterans, Indian war veterans, and soldiers and sailors cases were given attention.

"Several thousand dollars has been received in the county from the government through the favorable adjustment of veterans' compensation claims, veterans' pension claims, dependency compensation claims of widows, children and parents of deceased and disabled ex-service men; burial claims, claims for attendants' fees, claims for the appropriation of veterans' compensation and pension for separated wives and children, reimbursement claims, loans on government insurance, loans on adjusted service certificates, and the settlement of insurance claims.

"Emergency relief was issued to disabled and destitute ex-service men for half fare transportation from this city to the Illinois State Home; ambulance fees were paid in transferring ex-service men patients from local hospitals to the railroad stations to go to the State Home.

"The Junior Red Cross class at the Illinois School for the Deaf has been very active. Three portfolios were made by the students and sent to two foreign deaf schools and to one deaf institution in the United States. Two portfolios were received by this class from one of the foreign schools, in exchange for one of their portfolios. One hundred and two Christmas menus covers were made and sent to sailors of a ship attached to the Pacific fleet. One hundred Christmas favors were made and sent to the ex-service men patients confined in a government hospital.

One hundred and eighty-six buttons, 65 swimmers' buttons, 42 Junior certificates, 90 Senior certificates and 16 Examiners' certificates were issued from National headquarters through this chapter this year to persons who successfully completed their Red Cross life saving tests.

Seventeen First Aid certificates were distributed to persons who satisfactorily completed the standard course in Red Cross first aid instruction. There are three instructors in Red Cross first aid in this chapter."

HOLD INGOLDSBY FUNERAL SERVICES HERE THURSDAY

Funeral services for Clarence Ingoldsby were held Thursday afternoon at 2 o'clock at the Williamson Funeral Home, in charge of Rev. M. M. Blair. Burial was in Diamond Grove cemetery.

The flowers were cared for by Mrs. Jane and Harriett Stark, Doris and Alexander. The pall bearers were Ralph Weber, C. H. Hall, Charles R. Ray, Harry Bray, Herbert Dodsworth and Everett Mann.

CERTIFY ELIGIBLES FOR WHITE HALL POST OFFICE

Washington, Jan. 30.—(P)—George B. Fannigan, Carl Dossel and Halie Johnson have been certified by the Civil Service Commission as eligible for appointment as postmaster at White Hall, Ill.

HENRY EDWARDS GETS PRISON SENTENCE; TURNER ON PROBATION

Henry Edwards was sentenced to the Illinois State penitentiary by Judge Walter Wright in circuit court here Thursday on a charge of burglary and larceny. Edwards is one of four men indicted recently on burglary and larceny charges after the quartet had been arrested for stealing chickens.

The four were arraigned in court and Edwards and Jordan W. Turner asked for probation. Edwards' plea was denied and the motion made by Turner was allowed yesterday. Turner was admitted to probation for one year and to pay the costs of the suit.

Napoleon Leslie and Joseph Bush, who were indicted with Edwards and Turner, were sentenced by Judge Wright when they were arraigned on the burglary and larceny charge.

Mercury Again Hits 17 Below According To Official Reading

Some Street Thermometers Above This Mark, But Cold Continues

Just when residents of this community were anticipating relief from the cold weather, the mercury took another plunge Thursday morning. The low reported at 7 o'clock by the weather station at Northway Sanatorium was 17 degrees below zero, within a degree of the record for the season, and the second mark of 17 set during the present cold wave.

When the temperature reading became generally known, there was a chorus of doubt. Other thermometers in the city failed to register the low point, and readings ranged from zero down to twelve below. Many reported their cars started yesterday morning without difficulty, something they wouldn't do when the mercury hit 17 below a few days ago.

But the weather authorities said there was no mistake about it, and the populace shivered with new sensations of frigidity.

The barometer reading was lower, standing at 30.11, but it was still high. A bright sun Thursday warmed the atmosphere somewhat, but a world covered with ice and snow and accustomed to sub-zero weather refused to respond to the slight appeal of the sun.

At five o'clock yesterday afternoon the official reading was five degrees above zero.

Beardstown Club Meets Wednesday

Luncheon For Group Served Wednesday Evening At Guelker Home; News

Beardstown, Jan. 30.—Mrs. Russell Black and Miss Genevieve White were guests of Mrs. Jack Guelker, who entertained her bridge club Wednesday evening at her home, 212 West 7th St. Bridge, social talk, and a dainty luncheon furnished the evening's entertainment. Prize winners were Mrs. Russell Black, Miss Genevieve White and Miss Clara Brodman.

Mrs. Elmer Schuman will entertain the group at the next meeting of the club.

News Notes
Miss Roberta McAllister, freshman at the University of Illinois, is spending a few days of the mid-semester holiday with her parents, Mr. and Mrs. P. W. McAllister, Beardstown.
Richard Rink, student at the University of Illinois, is enjoying mid-semester holidays here with his parents, Mr. and Mrs. E. E. Rink.
Mrs. Roy Musch, of near Litterberry, spent Wednesday here with Mrs. Lena Hagerstrom and family. She was accompanied home by Miss Judith Anderson, who had been a visitor here for about two weeks.

A. D. Millard motored to Springfield on business Thursday afternoon.
The Junior class of the local high school have selected a committee to examine and choose high school rings for the group. Selections will be made Friday and displayed for the class vote of approval and final choice.

Miss Adele Cross is the Junior sponsor.

Mrs. Robert MacClintock returned Wednesday to her home in Washington, D. C., after a visit here with her parents, Mr. and Mrs. L. G. Schaeffer.
Mr. and Mrs. True Bates, Brownings, are the parents of a seven-pound baby girl, born Tuesday morning. Mrs. Bates was formerly Miss Norma White, of this city.

JAMES MARSHALL, FORMER RESIDENT HERE, PASSES AWAY

Mrs. Winfield Scott received word yesterday morning of the death of her brother, James Marshall, in Brownsville, Texas, on Thursday. He was a former resident of Jacksonville, the son of the late William and Anne Marshall. He moved to Texas about 35 years ago.

He is survived by his wife, one daughter, Mrs. Maude Stabaugh and two grandchildren. At the time of his death Mr. Scott was 74 years of age.

ROOF CATCHES FIRE AT WRIGHT RESIDENCE

The local fire department was called to the residence of J. W. Wright, 125 Diamond Court, last night where the roof had caught fire. The flames were extinguished thru use of chemicals before much damage resulted.

Austin Six, of the Bluffs community, was a caller in Jacksonville yesterday.

Annual Dinner Of Scout Council Is Held Thursday

J. N. Conover Is Re-elected President Of Area Last Night

Mascoutah Area Boy Scout Council workers and friends held their annual dinner-meeting last night in the Peacock Inn. In the business session, J. N. Conover was re-elected president. W. R. Gilbert, of Jacksonville, George Humphreys, of Beardstown, and S. Lee Smith, of Roodhouse, were named vice-presidents. A. C. Metcalf will act as treasurer for the council.

Dr. F. B. Oxtoby presented Mr. Conover with a president's pin in recognition of his work for scouting in this area during the past year.

Scouts of local troop 7 assisted Father Lawler in a candle lighting ceremony presentation of Silver Beaver Awards to Jim Carnahan, of Beardstown, and Thomas M. Coyle, of Arenzville. Because of weather conditions and bad roads, Mr. Coyle was unable to be present for the presentation.

The Silver Beaver represents recognition as a "Scouter," or Scout leader and a record of outstanding service to boyhood in the local council.
Carnahan's record includes Eagle Scout, five years as Scoutmaster, two years cubbing, one year district commander, 1935 camp director and canoeing expert. At present he is athletic coach of Beardstown junior high.

Mr. Coyle has been a member of the Scout executive board for eleven years, was one of the founders of the Council and served as president for three years.

Following the invocation by Dr. Oxtoby, President Conover gave the welcoming address, with a charge for service to Scout leaders. "I pledge my efforts to Scouting. Are you going with us?"

He fixed the responsibility of the movement, not as one "promoted by law," but a duty toward higher citizenship and its development in Scouting.

Mr. Conover expressed his appreciation of the moral and financial support accorded during 1935, and his confidence that the new year would show a great increase in every department of the work.

Scout Executive Harry Finke, in his report, showed a membership increase, loss of three troops and addition of three new ones in Beardstown, Winchester and Concord. Recently, a troop at Virginia has also applied for a charter.

The summer camp enrolled a greater number of Scouts than in any previous year. Its location was at the Meredosa Rotary Club House with Jim Carnahan as director.

Concluding his report, Mr. Finke said, "May I pay personal tribute at this time to the efforts of our president, Mr. Conover, who has served faithfully during the past year. He has given tireless and intelligent leadership to our Council and our Executive board. With his leadership for the new year, we are looking forward to better things for 1936."

The address of the evening was by George Chronic, deputy regional Scout executive. "Why I'm Glad I Am A Scout," He explained briefly the organization of the work in this region which contains 86 councils. In the Mascoutah area there are 762 boys that reach twelve years of age each year. In Jacksonville there are 113.

Most difficult to organize are the Lone Scout and Farm and Home Patrol units that represent boys of scouting age in isolated communities and farms.
He said that it is the aim to enroll one of four eligible boys in scout work for a four year period. In twenty-five years of existence the membership has never failed to make a substantial annual gain. There are approximately ten million boys of scout age in the United States, one million are enrolled as members.

Mr. Chronic expressed the hope of the entire organization that the "Scouters' community leaders, would unite in a real effort to put the Scout program on an even more successful basis—a program that will bring good citizenship and develop leaders, the foundation of the nation's progress.

ORDERS TAX REFUND TO BEARDSTOWN CO.; PAYMENT IS \$177,880

Springfield, Ill., Jan. 30.—(P)—U. S. District Judge J. Earl Major today denied customers of six firms the right to share in the refunds of processing taxes held in escrow by the government.

He released approximately \$153,356, the refunding of which had been ordered held up pending disposition of the intervening petitions.

"It is not my judgment that the processing firms are entitled to this money without showing they paid it," Judge Major asserted, "but the Supreme Court has determined the matter and there is nothing for this court to do, except to order its repayment."

The firms against whom the petitions were directed and the approximate amount of taxes paid under protest were:

Luer, Brothers Packing and Ice Company, \$148,682; Starnard Tilton Milling Company, \$170,149; and Sparks Milling Company, \$162,603, all of Beardstown; Schulte-Baujan Company of Beardstown, \$177,880; A. E. Staley Manufacturing Company of Decatur, \$181,536; and Hunter Packing Company of East St. Louis, \$805,304.

On Monday, Judge Major ordered about \$1,483,690 in taxes returned to 33 other firms.

BRIDGE CLUB MEETS

Franklin, Ill., Jan. 30.—The Franklin Township Bridge club met at the home of Mrs. Donald Ransdell this afternoon.

Prizes were won by Mrs. J. E. Miles and Mrs. Henry Lukeman. Mrs. W. N. Litterell was a guest. Refreshments were served.

Bonus Application Dates Set; Journal-Courier Prints Forms

Claude Pastine, commander of Jacksonville Post No. 279, the American Legion has announced that through the co-operation of the Journal-Courier, plans are complete for giving assistance to all World War veterans, residing in Morgan County, in making application for their bonus, as provided for in recent legislation.

The Journal-Courier Company has printed and has ready for distribution a sufficient number of applications to take care of local needs. The American Legion Home will be open Monday and Tuesday night from 7:30 to 10:00 p. m. to accommodate veterans wishing to make formal applications. A corps of workers, including stenographers and notary publics will be present to type and notarize the forms.

Desk Sergeant George Vasconcellos, of the local police department, and Captain Hayes of the CCC Camp will be in charge of the finger printing section. A group of Legionnaires, familiar with the requirements of the law will be on hand to give personal assistance. This corps of workers will be under the supervision of F. A. Robinson and Homer G. Bradney.

School Of Instruction
Sunday at 10:30 a. m., a school of instruction will be held at the Legion Home, for all Legion members who desire to lend their assistance. Volunteers are asked to be present at that time.

Although these "final" applications are mainly a matter of identification, certain factors will enter into its completion. Each veteran should have with him his certificate, or his pink slip if he has secured a former loan. This slip will provide the information as to the application number, the certificate number, its date of issuance, the face amount of the certificate and the location of the office to which the application should be mailed. The veteran should also bring with him, his honorable discharge, or in lieu of this, definite information as to his rank and organization, the date of his enlistment and discharge and his army serial number.

The American Legion will make no charge for this service and every veteran eligible for benefits should plan to make his or her application on one of these nights. Bonds will be issued by the Veterans' Administration, to veterans in the order applications are received. After marking application, no letters should be written concerning the application. If the Veterans' Administration is required to answer a letter concerning the application, it will result in delay, inasmuch as they will take it out of its regular order and place it again on the end of the list.

The attention of the American Legion has also been called to the fact that the Veterans' Administration in some instances is, through a form letter, asking veterans to return their certificates for correction, giving no information as to just what corrections are required. Veterans are advised to first write and ask the nature of the error before relinquishing the certificate.

Bonus Payment
A few figures with reference to the payment of the bonus is interesting, in view of some claims made public by opponents of the measure, now a law. A total of 3,732,485 certificates has been issued. There have been 336,626 veterans who have died since the passage of the original act, 978 certificates were paid to dependents where there was less than fifty dollars due; 123,156 certificates were paid to dependents where there was less than \$500 due; 203,784 certificates issued to living veterans have matured because of death.

Among the living veterans 158,295 were paid in cash as the amount due was less than fifty dollars. On June 30, 1935 3,528,761 certificates were still in force. There have been 2,904,525 veterans who have already borrowed on their certificates and paid high rates of interest. It is hoped that many veterans will not cash their bonds unless in dire need, as they will draw interest from June 15, 1936 if held.

Ten local Legion Post through its workers next Monday and Tuesday will not only prepare the application, but will keep a duplicate of the application. These are valuable records and will not only assure the veteran of a permanent record of his certificate but will give the post a permanent record of his military service without which emergency hospitalization cannot be obtained, or in the event of death, Federal burial benefits provided.

Another note of warning has also been issued by the Legion. These certificates in many instances represent the only assets available in case of a veteran's death. The federal government now provides all of the

Approve Contracts For I. S. D. Project; To Employ 42 Men

Improvements At State School To Cost \$103,144; PWA Grant Is \$46,344

Chicago, Jan. 30.—(P)—Carl H. Bauer, state director of the Public Works Administration, announced today that contracts for the assembly hall of the State School for the Deaf at Jacksonville, Ill., had been approved.

The contracts included: Electric wiring, Wadeford Electric Company, Chicago, \$17,500.

Pipe covering for heating system, Prillman, Inc., Joliet, Ill., \$1,125; covering for plumbing system, \$875.

Heating and ventilating, Mid-States Industrial Corporation, Rockford, Ill., \$11,425.

Plumbing, John P. Shields, Bloomington, Ill., \$6,277.

Bauer said that the PWA made a grant of \$46,344 toward the total cost of the project which was estimated at \$103,144. He stated that the project would require 52 weeks to complete and that it would give employment to an average of 42 men daily.

Frigid Weather Results In Fire, Injuries In Greene

Roadhouse Residence Damaged By Flames; Two Persons Are Injured

Roadhouse, Jan. 30.—Frosted ears and numbed fingers and toes are common during the long seige of cold weather, but today the temperature, indirectly, brought damage by fire and a broken leg.

This morning, a few minutes before 11 o'clock, Donald Heaton thawed a water pipe leading from a kitchen sink with a blow torch. The heat and flame from the instrument ignited boards under the flooring, crept up the side of the house, and spread to the roof of the home.

Before firemen could extinguish the blaze, the roof and frame of the back part of the house was completely consumed, the rest considerably damaged, and the entire house soaked with freezing water.

Neighbors heard the alarm and went to the residence to assist firemen if possible. All furniture was carried out without damage. Robert Wallace, 84 year old resident of the city, was hurrying to the scene, fell over a fire hose and fractured the large bone in his leg above the knee. Considering his age, the injury is serious.

The fire damage was covered by insurance.

Falls on Ice
Tuesday, Mrs. Frank Fisher, 67 years of age, fell on the ice and broke her left forearm. She was taken to her home and is recovering nicely from the injury.

Mound Woman's Club Holds Meet

All Day Meeting Is Held At Megginson Home; Program Given

The Mound Woman's club met at the home of Mrs. George Megginson Thursday for an all day meeting, the occasion being in observance of the annual "Frolic Day." There was a good attendance of members and guests and a pot luck dinner was served at noon.

During the afternoon an amusing dialogue, "Bills and Tills in New York," was given by Mrs. Grace Purdy and Miss Belby Leach. A vocal solo, "Polly Wolly Doodle All Day," was given by Eleanor Hempel. The remainder of the afternoon was spent in playing games and in contests.

The domestic committee included Mrs. Lois Williams and Mrs. Phoebe Thomason and the entertainment committee included Miss Leah Caldwell and Mrs. Maude Holmes.

DEBATERS CANCEL TRIP TO TOURNEY AT ROCK ISLAND

Plans for the Jacksonville High School debaters participation in the Rock Island tournament, to which they were scheduled to go today and tomorrow have been abandoned. A last minute decision late Thursday evening by Coach Harold Gibson withdrew the Crimson from the meet. Mr. Gibson would have been unable to accompany his team anyway, still being confined to his home as a result of a recent attack of tonsillitis. However, the debaters were to leave at five o'clock this morning and enter the tournament to compete with teams from Illinois, Minnesota, Wisconsin, and Iowa. The first round was to have been held at 10:30 with two other rounds taking place during the day. Results would have been announced tomorrow morning with the final elimination rounds following on Saturday afternoon.

With a slicing wind whipping the snow across the highways and a report forecasting 25 degrees below zero, the decision to attend the tourney were reversed.

The next debates for the J. H. S. teams are scheduled for Monday with Waverly again. This is only tentative at the present time.

Mrs. Ralph Herr, of Alexander, was a Thursday afternoon shopper in the city.

Ashland Lad Has Tooth "Extracted" From His Lung

Springfield, Ill., Jan. 30.—(P)—Ten-year-old Ramon Douglas of Ashland had a tooth "extracted" here—from his lung.

A mysterious lung trouble made him ill with periods of high fever for four months and finally X-ray photographs showed a foreign substance in the right lower lobe of his lungs.

Using a bronchoscope, Dr. Stuart Broadwell, Jr., removed the object yesterday without anesthetic or surgery and found it was a molar tooth which Ramon had "inhaled" four months ago.

Reelect Officers At Greene County Insurance Meet

President, Secretary Are Chosen 35th Time; News Notes

Carrollton, Ill., Jan. 30.—Sylvester Melvin, age 84 years, has been re-elected secretary of the Greene County Mutual Fire Insurance Co. for the 35th consecutive year, and E. K. Metcalf, age 79, has again been chosen as president of the company for his 35th straight year. Oliver T. Purl was re-elected vice president, and J. A. Metcalf, treasurer. Elias Winkling, Vernon Johnson and Joseph Weisker were re-elected on the board of directors. Roy S. Hettick was elected a director.

The holdover members of the board are N. R. Hicks, Finlee Doyle. Herebefore the company has insured only farm property, but at the last meeting the officers and members voted to include residential and public buildings such as schools and churches in towns outside the fire limits.

News Notes
George Lane Eldred of Chicago spent the week-end here with his parents, Mr. and Mrs. Charles Eldred.

Arthur Haddock spent the week-end with friends in East St. Louis.

The Eldred Household Science club met Thursday with Mrs. C. H. Smith, who was assisted as hostess by Mrs. Keith Brannan. Sixteen members and two guests, Miss Helen Black and Mrs. Frank Reif, were present. Roll call was answered with a true Indian story or incident. A paper, "American Indians," by Mrs. L. T. White, was read. Reading, "Indian Home Life," by Mrs. Louis Langer. Reading, "American Indians in the World's War," by Mrs. Curtis Chapman for Mrs. Harold Brannan. Story, "One Little Indian," by Mrs. Keith Brannan. Reading, "I am a Man," by Miss Helen Black. "Indian Music," by Mrs. Clifford Newton. Music by Miss Helen Black. Prizes for students were won by Mrs. Clifford Newton and Miss Helen Black. Dainty refreshments were served.

Wayne Schild of Eldred, who has been a patient at De Paul hospital, St. Louis, for the past few weeks, for a dislocated knee, for which he underwent an operation recently, is reported as about recovered sufficiently to leave the hospital soon.

The Mt. Gilead unit of the Home Bureau met Thursday afternoon with Mrs. Charles Brooks. The major leader, Mrs. Roy Short, demonstrated pecan rolls. The minor leader, Mrs. Harold Hyde, showed a glove pattern and knicker to make same and also some Swiss weave material.

After a brief respite from sub-zero temperatures Wednesday when the mercury climbed to the high of the past nine days, of 17 degrees above at 3 p. m., winter renewed its assault on this section during the night and dawn Thursday found Carrollton again shivering with an 10 degree below at 7 a. m.

MISS LOUISE GATES TO LEAVE TODAY FOR STUDY IN NEW YORK

Miss Louise Gates, who has been visiting in the city following a South American trip in the interests of the Y. W. C. A., will leave for New York this morning to continue her studies in the profession of Social Service in Columbia University. She will also enroll for instruction in the department of Religious Education.

She will drive to New York stopping to speak before annual meetings of Y. W. C. A. boards in Danville and Springfield, Ohio.

Miss Gates is the daughter of Mr. and Mrs. R. A. Gates, 1036 West Lafayette avenue. During her visit in this city, she has appeared before a number of civic clubs and other organizations, describing her reactions and views of Christian and social work in South America. Her headquarters during this trip were at Rio de Janeiro. Included in her local appearances was an address as one of the Sunday evening series at Grace M. E. church, and also at a tea given at MacMurray College for the united missionary societies.

PLAN FORMATION OF W. P. A. PROJECT GROUP
The colored WPA project recreation group will be organized under the direction of Mr. Vanderburg and Miss Ows at the Bethel church Saturday morning. Instruction will include needlecraft, remodeling of clothing and vocal music.

The ice pond project will begin today under the direction of Charles Cline and Freeman Hopper.

The handicraft display announced for this afternoon at the YMCA building on West State will include work by local persons. It is expected that leaders from surrounding communities interested in developing handicraft as a project will be present for instruction.

Abe and Leon Dinwiddie, of near Litterberry, were business visitors in the city yesterday.
